**International Critical Commentary** ,1936      **Critical and Exegetical Commentary on the New Testament: Corinthians** William Purdie Dickson,Heinrich August Wilhelm Meyer,Frederick Crombie,1881      **The Amazing Claims of Bible Prophecy** Mark Hitchcock,2010-04-01 With over 500 000 Bible prophecy books sold Mark Hitchcock is fast becoming one of the most popular and widely trusted voices on this topic The Amazing Claims of Bible Prophecy is his newest release This book takes a fascinating look at one of the most important aspects of Bible prophecy It confirms the divine origin and complete reliability of God s Word Only God who is all knowing can tell what lies ahead with 100 percent accuracy Readers will examine ten past prophecies and their astounding fulfillments all of which serve as profound evidence for both unbelievers and believers that God s Word can be trusted Readers will also explore ten future prophecies and see how today s events foreshadow the fact Earth s final hour is near This resource will encourage believers toward a deeper confidence in the Word and equip them with a powerful defense against those who question the Bible s truth claims      **Ezekiel's Hierarchical World** Stephen L. Cook,Corrine L. Patton,2004 Can we live with the God of Ezekiel Can we relate to a God who has established a multilayered hierarchy that separates the divine from the human who creates boundaries that segregate people from the temple the priesthood and the glory of the Lord In contrast to those who suggest that Ezekiel should no longer be read as an authoritative part of the canon the essays in this volume engage Ezekiel s hierarchical world directly neither dismissing it out of hand nor accepting it uncritically By wedding theological interest and reflection with serious biblical exegesis and criticism this work helps readers to understand Ezekiel s hierarchical theology especially the book s views on creation priesthood and land It thus equips readers to form their own evaluations of the relevance of Ezekiel s theology for today Contributors include Daniel I Block Keith Carley Stephen L Cook Katheryn Pfisterer Darr Iain M Duguid Friedrich Fechter Julie Galambush Norman Habel Risa Levitt Kohn Corrine L Patton David L Petersen Baruch J Schwartz Daniel L Smith Christopher and Steven Shawn Tuell Paperback edition is available from the Society of Biblical Literature [www.sbl-site.org](http://www.sbl-site.org)      Theological Encyclopædia and Methodology: Introduction and exegetical theology Revere Franklin Weidner,1898      Missing Priests Alice Hunt,2006-10-01 This is a study of one priesthood of Ancient Israel the Zadokites and its role in the social historical cultural and religious lives of the ancient Isrealites It also provides a foundation for studies of priesthood s in ancient Israel      Seeing the unseen Florian Forg,2020-01-01 Vision reports occupy large space in the Book of Ezekiel and the texts put special emphasis on the details of receiving a vision In Thailand Buddhist monks or Hindu priests also have seen visions Mediums travel to distant places in visions and meet with spirits Christian churches set goals for the

future and call them visions This study takes a closer look at visions both in the Book of Ezekiel and in the Thai context by focusing on the Thai translation of Hebrew terms for visions Besides that it compares the Hebrew concepts behind visions with the Thai understanding

**Vessels of Wrath, Volume 1** Richard M. Blaylock, 2023-08-17 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In *Vessels of Wrath* Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Old and New Testaments Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity

**The Prophecy That Is Shaping History** Jon Mark Ruthven, Jon Ruthven, 2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entity even to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 36-44 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate their readers to prepare for it *The Prophecy That Is Shaping History* represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel's prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel's prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness

**The Word of the Lord Shall Go Forth** Carol L. Meyers, Michael Patrick O'Connor, 1983 This volume contains fifty two essays composed in honor of David Noel Freedman and organized around the topics Hebrew Poetry and Prophecy The Prose of the Hebrew Bible History and Institutions of Israel Northwest Semitic Epigraphy and Other Perspectives A bibliography of the honoree is included

**Swallowing the Scroll** Ellen F. Davis, 1989-06-01 In this original study Dr Davis argues that Ezekiel's place in the history of prophecy is overdue for reassessment As against current views that Ezekiel represents the collapse of prophetism into priestly and scribal forms she argues that something radically different in prophecy begins with Ezekiel Ezekiel represents the creation of a new literary idiom for prophecy He develops an archival speech form oriented less toward current events than to reshaping the tradition He has taken a step backward from direct confrontation with an

audience as the basic dynamic of communication and has made the medium of prophecy not the person of the prophet but the text Like the postexilic prophets Ezekiel participated in the transformation of the social role of prophecy and thereby saved himself from oblivion *Peoples and Places* Matthew Hirt,2022-05-27 Jesus s final command to his disciples was to make disciples of all nations But who are the nations How do we know we are being obedient to the task Do our current lists of ethnolinguistic people groups sufficiently answer the question For the last fifty years missiologists and missionaries have discussed this topic but much of the conversation has been focused on definitions that give little attention to biblical theology When we explore how the Bible describes the nations we find some other categories that have been overlooked forgotten or set aside in the development of missions strategy Geography is one of these categories However this is not simply bringing current geo political entities back into our missions strategy Instead Matthew Hirt is calling on missiologists missions researchers and missionaries on the field to discover how people groups identify their own geographies and in turn how that geography contributes to a people group s identity

**The Understanding of Adultery in the Hebrew Bible** Alexander Izuchukwu Abasili,2016-06-09 Adultery though not an umbrella concept for all the sexual prohibitions in the Hebrew Bible enjoys a certain pride of place Remarkably it is the one sexual prohibition attested in all biblical genres which makes it very representative in the Hebrew Bible It is the only Hebrew biblical sexual prohibition explicitly mentioned in the Decalogue A solid understanding of Hebrew biblical adultery therefore is an important step towards grasping the vital role of human sexuality in the Hebrew Bible both in terms of inter human relationships and the relationship between the human and the divine Without prejudice to the contents of the Hebrew biblical lexicons and theological dictionaries this work aims at providing a comprehensive understanding of adultery in the Hebrew Bible its meaning punishments and the implications thereof Among others it corrects some wrong assumptions about the concept of adultery in the Hebrew Bible and provides a balanced and unbiased Hebrew biblical conception of adultery and the implications thereof for todays couples

**You Shall Know that I Am Yahweh** John F. Evans,2019-05-15 The recognition formula you they shall know that I am Yahweh is repeated more than seventy times in the book of Ezekiel And yet surprisingly this refrain has not been analyzed in detail in recent research In this study John F Evans attempts to uncover the literary and theological intent of the recognition formula in Ezekiel by comparing it with other instances of the phrase found elsewhere in the Bible Complementing his analysis of the recognition formula in Ezekiel Evans examines its use in Deuteronomy 1 Kings Isaiah Joel and in particular Exodus In addition to some strong continuities between the formula in Exodus and Ezekiel he finds a jarring disjunction in Ezekiel the prophecy repeatedly declares that Israel shall know that I am Yahweh in judgment while elsewhere in Scripture the formula typically sounds a positive note when spoken to God s covenant people Recent years have witnessed a renewed interest in the book of Ezekiel especially as a book that reflects the experience of Jews in exile as parallel to their captivity in Egypt prior to the exodus Biblical scholars and students interested in the theology of exile and the theological reaction to the destruction of

the Judean state in 586 BCE will find this book enlightening and useful

**The Prophets** Brian Simmons, 2025-04-01 The books of the Prophets abound with vivid prophecies astounding visions and comforting assurances of God's faithful love Isaiah foretells our Savior Jeremiah and Lamentations chronicle and mourn the fall of Jerusalem Ezekiel details glorious visions and Daniel shares stories of heroic faith and wisdom Joel Amos and Zephaniah proclaim the judgment and blessing of the day of Yahweh Hosea illustrates God's unconditional unceasing love and Jonah shows God's eagerness to forgive Obadiah Micah Nahum and Habakkuk vividly warn of Yahweh's wrath on injustice and economic exploitation while Haggai Zechariah and Malachi share hope from the postexilic era See God's eternal passion for justice and his heart of mercy watch his spectacular plan unfold and be empowered to live righteously today Yahweh is slow to anger and so rich in extravagant love for you Joel 2:13

**Ezekiel's Vision Accounts as Interrelated Narratives** Janina Maria Hiebel, 2015-06-16 Ezekiel is one of the best structured books in the Old Testament It is commonly recognized that the strongly interrelated vision accounts Ez 1:1 3:15 8:11 37:1 14:40 48 contribute greatly to this impression of unity However there is a marked lacuna in publications focusing on the vision accounts in Ezekiel as an interconnected text corpus The present study combines redaction critical analysis with literary methods that are typically used in a synchronic approach Drawing on the paradigm of Fortschreibung it is the first to present a united redaction history that takes into account the growing interconnections and dependencies between the vision accounts Building on these results the second part follows the development of selected themes such as the relationships between characters the roles of intermediate figures and anthropological and theological implications throughout the stages of redaction The study thus represents an important step towards an understanding of the complex redaction history of the book of Ezekiel and indeed of its theology The combination of diachronic and synchronic methods makes it relevant for scholars of both directions and is itself a methodological statement
