**Closed Book** Rebecca Scharbach Wollenberg, 2025-09-23 A groundbreaking reinterpretation of early Judaism during the millennium before the study of the Bible took center stage Early Judaism is often described as the religion of the book par excellence a movement built around the study of the Bible and steeped in a culture of sacred bookishness that evolved from an unrelenting focus on a canonical text But in *The Closed Book* Rebecca Scharbach Wollenberg argues that Jews didn't truly embrace the biblical text until nearly a thousand years after the Bible was first canonized She tells the story of the intervening centuries during which even rabbis seldom opened a Bible and many rabbinic authorities remained deeply ambivalent about the biblical text as a source of sacred knowledge Wollenberg shows that in place of the biblical text early Jewish thinkers embraced a form of biblical revelation that has now largely disappeared from practice Somewhere between the fixed transcripts of the biblical Written Torah and the fluid traditions of the rabbinic Oral Torah a third category of revelation was imagined by these rabbinic thinkers In this third Torah memorized spoken formulas of the biblical tradition came to be envisioned as a distinct version of the biblical revelation And it was believed that this living tradition of recitation passed down by human mouths unbound by the limitations of written text provided a fuller and more authentic witness to the scriptural revelation at Sinai In this way early rabbinic authorities were able to leverage the idea of biblical revelation while quarantining the biblical text itself from communal life The result is a revealing reinterpretation of the people of the book before they became people of the book

**The Book of Job in Jewish Life and Thought** Jason Kalman, 2021-12-20 Despite its general absence from the Jewish liturgical cycle and its limited place in Jewish practice the Book of Job has permeated Jewish culture over the last 2000 years Job has not only had to endure the suffering described in the biblical book but the efforts of countless commentators interpreters and creative rewriters whose explanations more often than not challenged the protagonist's righteousness in order to preserve Divine justice Beginning with five critical essays on the specific efforts of ancient medieval and modern Jewish writers to make sense of the biblical book this volume concludes with a detailed survey of the place of Job in the Talmud and Midrashic corpus in medieval biblical commentary in ethical mystical and philosophical tracts as well as in poetry and creative writing in a wide variety of Jewish languages from around the world from the second to sixteenth centuries
