F. Scott Fitzgerald's Short Fiction Adams Jade Broughton Adams, 2018-11-14 A revisionist reading of Fitzgerald s short stories through the lens of popular culture from the 1910s to the 1930s F Scott Fitzgerald is remembered primarily as a novelist but he wrote nearly two hundred short stories for popular magazines such as the widely read *Saturday Evening Post* These are vividly infused with the new popular culture of the early twentieth century from jazz to motion pictures By exploring Fitzgerald s fascination with the intertwined spheres of dance music theatre and film this book demonstrates how Fitzgerald innovatively imported practices from other popular cultural media into his short stories showing how jazz age culture served as more than mere period detail in his work

Key Features Interdisciplinary formal and thematic analysis of popular cultural references in Fitzgerald s short fiction Offers fresh readings of longstanding concepts in Fitzgerald studies such as his double vision Contributes to the growing field of popular cultural studies of modernist authors

F. Scott Fitzgerald: Classic Works F. Scott Fitzgerald,2012-11 Fitzgerald s short stories have themes that do not only relate to the problems and culture of the Jazz Age but were also about the promises and despair encountered by the youth as well as aging Love and relationships between two mismatched or unlikely characters are common such as people who are unlikely to develop a spark of romantic interest between each other The plots are usually set in the culture of the upper middle class and the elite with characters either from this social group or aspiring to become part of it Being inspired by the events that occurred during The Great Depression and the stock market crash the stories also involve characters who lose wealth but who are still trying to maintain their opulent lifestyle However Fitzgerald s stories will remain relevant no matter which era the readers are born into as finding true love and happiness despite the situation will always be a common part of the human experience
