El Diablo Cojo Purple Sage, P. S. McGeeney, 2013-10 This is a new release of the original 1936 edition *El Diablo Cojo, the Limping Devil* Patrick Sylvester McGeeney, 1936 **The New Territory** Marc C. Conner, Lucas E. Morel, 2016-06-20 Contributions by Herman Beavers Robert Butler John Callahan Marc C Conner Bryan Crable Steven D Ealy Lena Hill Lucas E Morel Timothy Parrish Ross Posnock Patrice Rankine Grant Shreve Eric J Sundquist and Steven E Tracy Ralph Ellison once said We re only a partially achieved nation In *The New Territory* scholars show how clearly Ellison foresaw and articulated both the challenges and the possibilities of America in the twenty first century Indeed Ellison in these new essays appears more and more to be a cultural prophet of twenty first century America As literary scholar Ross Posnock states If in our global transnational age the renewed promise of cosmopolitan democracy has emerged as an animating ideal of popular political and academic culture this is a way of saying that we are only now beginning to catch up with Ralph Waldo Ellison In this collection the editors offer fourteen original essays that seek to examine and re examine Ellison s life and work in the context of its meanings for our own age the early twenty first century the age of Obama a period that is seemingly post racial and yet all too acutely racial Following a careful introduction that situates Ellison s writings in the context of new approaches and interest in his work the book offers new essays examining Ellison s 1952 masterpiece *Invisible Man* It then turns to his vast unfinished second novel *Three Days Before the Shooting* with detailed readings of that powerful and elusive narrative These essays are the first sustained treatments of that posthumous work *The New Territory* concludes with five chapters that discuss Ellison s political cultural and historical significance probing how he speaks to the contemporary moment and beyond

history sometimes rests on mythological foundations and that myth can contain valid historical information Her book which is a highly original critique of postconquest historiography about the Maya challenges major assumptions about the relationship between myth and history implicit in structuralist interpretations The focus of the book is ethnic conflict a theme that pervades Maya folklore and is also well documented historically The book begins with the Spanish conquest of the Maya In chapters on the postconquest history of the Maya five ethnic conflicts are treated in depth the Cancuc revolt of 1712 the Quisteil uprising of 1761 the Totonicapan rebellion of 1820 the Caste War of Yucatan 1847 1901 and the Chamulan uprising in 1869 Analytical chapters consider the relationship between historical events and modern folklore about ethnic conflict Bricker demonstrates that myths and rituals emphasize structure at the expense of temporal and geographical provenience treating events separated by centuries or thousands of miles as equivalent and interchangeable An unexpected result of Bricker s research is the finding that many seemingly aboriginal elements in Maya folklore are actually of postconquest origin and she shows that it is possible to determine precisely when and more important why they become part of myth and ritual Furthermore she finds that the patterning of the accretion of events in folklore over time provides clues to the function or meaning of myth and ritual for the Maya Bricker has made use of many unpublished documents in Spanish English and Maya as well as standard synthetic historical works The appendices contain extensive samples of the oral traditions that are explained by her analysis **Bowker's Guide to Characters in Fiction 2007** ,2008-02 Cumulated Index to the Books ,1933
