

Elements of Plot

Exposition

This is a work's introduction; it sets the scene by presenting the main characters and setting, while also establishing the work's mood.

Rising Action

The rising action presents the events that generate conflict for the main character(s).

Climax

This is known as the big culmination of the rising action. It is usually an intense event that causes a turning point in the story.

Falling Action

This is the natural progression from a work's climax; it refers to the events that occur after the climax's tension is released.

Denouement

Also known as the Resolution, this acts as the work's ending.
