

The background of the slide is a complex, abstract pattern. It features a grid of thin, light-colored lines that intersect to form a series of squares and rectangles. Overlaid on this grid are numerous small, colored dots in various colors including red, blue, green, yellow, and black. The dots are scattered across the grid, with some appearing in clusters and others in isolation. The overall effect is a dense, textured background that suggests a data-driven or scientific theme.
