Extraordinary Accounts Of Native Life On The West Coast:

Voices of the Elders Kathryn Bridge, Kevin Neary, 2013-04-30 There is a special place on the southeastern shores of Barkley Sound on the west coast of Vancouver Island. It is a magnificent landscape of rocky cliffs fronting onto the wild Pacific Ocean, sheltered beaches, lakes, mountains, and forests. Since the beginning of time, it has been the ancestral home of the Huu ay aht First Nation. Drawing directly from oral history passed down by generations of Huu ay aht chiefs and elders, Kathryn Bridge and Kevin Neary tell the compelling stories of the Huu ay aht people from their perspective. This is a fascinating glimpse into the complex and rich history of a West Coast First Nation, from creation tales and accounts of their traditional ways to the recent Maa-nulth treaty.

Toronto Maple Leafs Jim Barber, 2013-09-15 Since its construction in 1931, the Maple Leaf Gardens have seen their share of powerful memorable moments and held their share of championship glory. But there was something different about this evening of May 2, 1967. This book will be especially fascinating for readers interested in hockey or sports. The Toronto Maple Leafs is one of Canada's greatest franchises. From their humble beginnings in the 1920s to their remarkable Stanley Cup victories of the 1940s and 1960s to their teambuilding challenges of the 1990s and beyond, the Leafs have a history packed with exhilarating accomplishments and devastating setbacks. This is their story, the incredible story of a beloved Canadian institution.

Tofino and Clayoquot Sound Margaret Horsfield, Ian Kennedy, 2014-10-25 Clayoquot Sound on the West Coast of Vancouver Island is not only a place of extraordinary raw beauty but also a region with a rich heritage and fascinating past. *Tofino and Clayoquot Sound* delves into all facets of the region's history, bringing to life the chronicle that started with the dramatic upheavals of geological formation and continues to the present day. The book tours through the history of the Hesquiaht, Ahousaht, and Tla-o-qui-aht, as well as other nations that inhabited the area in earlier times. It documents the arrival of Spanish, British, and American traders on the coast and their avid greed for sea otter pelts. It follows the development of the huge fur seal industry and its profound impact on the coast. It tracks the establishment of reserve lands and two residential schools. The coming of World War II is discussed, as is the installation of a large Air Force base near Tofino, which changed the town and area dramatically. From here, the story spirals into the post-road period. With gravel and asphalt came tourism newcomers, the counter culture of the 1960s, the establishment of Pacific Rim National Park, and of course surfing. The book also addresses logging, which became the main industry in the area, and its questionable practices. Going into detail about the War in the Woods, the world famous conflict, and the largest mass arrest in Canadian history, a place is shaped by its people. Horsfield and Kennedy highlight notable figures of past and present: the merchants, the missionaries, the sealers, and the settlers, the eternally optimistic prospectors, the Japanese fishermen and their families, the hippies, the storm and whale watchers, the First Nations elders and leaders. Offering an overall survey of the history of the area, *Tofino and Clayoquot Sound* is extensively researched and illustrated with historic photos and maps. It evokes the spirit and culture of the area and illuminates how the past has shaped the
