contend that it is a relatively recent fabrication rather than an ancient scripture. The claims regarding the dominion of an extraterrestrial civilization at Mohenjo Daro primarily stem from conjectural analyses of Puranic depictions of vimanas and allusions to aerial celestial beings. Occasionally these perceptions are supported by imaginative speculation rather than empirical evidence. As our inquiry into these assertions progresses, it is imperative to acknowledge that scientifically and historically speaking, they continue to be firmly grounded in the realm of conjecture. The notion that extraterrestrial intervention influenced the development or decline of the Indus Valley Civilization, specifically Mohenjo Daro, has yet to be validated by the scientific community at large. Notwithstanding this, these assertions continue to captivate us by combining ancient mythology, contemporary technology, and historical enigma. In order to unravel the complex web of veracity and fabrication that envelops these captivating claims, it is imperative that we delve further into their historical and mythological context, scrutinizing the strata of culture, history, and belief that have contributed to the enduring enigma of Mohenjo Daro.

In summary, Mohenjo Daro, an ancient city situated in contemporary Pakistan, has consistently captivated and absorbed individuals. The region under consideration was a pivotal center of the Indus Valley Civilization, an epoch that lasted from 2500 to 1500 BCE. An untranslated script, sophisticated urban planning, and sophisticated drainage systems are all hallmarks of this civilization. A city of significant importance during the Indus Valley Civilization, Mohenjo Daro endured for numerous centuries prior to its collapse, the causes of which remain a subject of ongoing scholarly discourse. Environmental modifications such as discharge fluctuations in the Indus River have been hypothesized to have influenced the water supply and agricultural practices of the city. Ancestral presence or internal strife are alternative hypotheses regarding the reason for the city's abandonment. Specific interpretations of Hindu scriptures, specifically the Puranas, lead to claims that Mohenjo Daro is under the dominion of an extraterrestrial race. The aforementioned texts contain allusions to vimanas, which are frequently characterized as aerial carriages or spacecraft. Advocates of the theory assert that these vimanas were sophisticated aerial apparatuses operated by extraterrestrial entities. The *Vimanaika Shastra*, purportedly an ancient treatise on aeronautics, is a Puranic text often referenced to substantiate these claims. Nevertheless, the text's veracity is the subject of considerable debate, and numerous authorities contend that it is a contemporary forgery and not an ancient scripture. Moreover, claims regarding the dominion of an extraterrestrial civilization over Mohenjo Daro are predominantly founded upon conjectural analyses of Puranic depictions of vimanas and allusions to avian deities. Frequently, these interpretations are devoid of concrete evidence and predominantly depend on speculative speculation. The assertions that Mohenjo Daro was ruled by an extraterrestrial civilization or that the *Vimanaika Shastra* is an authentic ancient document are not supported by scientific evidence. There is an absence of empirical evidence indicating any extraterrestrial intervention during the development or demise of the Indus Valley Civilization. Archaeological and anthropological research has yielded crucial knowledge regarding the culture, society, and traditions of the inhabitants of Mohenjo Daro and other cities in the Indus Valley.

archaeological digs at Mohenjo Daro and other locations have produced an abundance of information regarding the ancient civilization. These discoveries consist of pottery, well designed settlements with efficient drainage systems, an early form of script, seals and other artifacts that provide insights into the daily routines and commercial networks of the Harappan civilization. These findings offer a more tangible, empirically supported perspective on the historical history of the civilization. Regarding the demise of Mohenjo Daro and the Indus Valley Civilization, scholarly debate persists. Some hypotheses attribute the phenomenon in question to natural disasters or alterations in environmental conditions, whereas others argue that internal factors, including social or political conflicts, exerted an influence. These explanations do not conclusively point to extraterrestrial intervention.

Grey Aliens and the Harvesting of Souls Nigel Kerner, 2010-01-19 Exposes the agenda behind the bio robotic grey aliens genetic manipulation of certain human races Reveals the Grey's nature as sophisticated self aware machines created by a long vanished extraterrestrial civilization Explains how their quest to capture human souls appears in the historical record from biblical times Explains how the phenomenon of racism is a by product of their genetic tampering In 1997 Nigel Kerner first introduced the notion of aliens known as Greys coming to Earth explaining that Greys are sophisticated biological robots created by an extraterrestrial civilization they have long since outlived In this new book Kerner reveals that the Greys are seeking to master death by obtaining something humans possess that they do not souls Through the manipulation of human DNA these aliens hope to create their own souls and thereby escape the entropic grip of the material universe in favor of the timeless realm of spirit Kerner explains that genetic manipulation by the Greys has occurred since biblical times and has led to numerous negative qualities that plague humanity such as violence greed and maliciousness Racism he contends was developed by the aliens to prevent their genetic experiments from being compromised by breeding with others outside their influence Examining historical records Kerner shows that Jesus who represented an uncorrupted genetic line warned his disciples about the threat posed by these alien

interlopers while Hitler a pure product of this alien intelligence waged genocide in an attempt to rid Earth of all those untouched by this genetic tampering Despite the powerful grip the Greys have on humanity Kerner says that all hope is not lost Greys exist wholly in the material world so if we follow the spiritual laws of reincarnation and karma aiming for enlightenment and rising above the material a state the Greys are unable to reach we can free ourselves from their grasp
