Extravagant Love Carole Engle Avriett, 2023-04-11 Have you ever been loved with skimpy love Or has your love for someone else seemed to shrivel Enter the world of God s extravagant love It is beyond measure Careful study of God s Word along with delving into ancient customs and symbols from Biblical times helps us understand His passionate love for all He has created If we call someone extravagant we re usually thinking about his spending habits and luxurious way of life So to use that word for a homeless man who had only one change of clothes an itinerant teacher who depended on others for food and shelter seems a stretch Yet Jesus was the most extravagant person who ever lived Carole Engle Avriett invites you to redefine your notion of extravagant In this study of ancient customs and ways of life you ll gain an understanding of the cultural context of the Scriptures and of twelve key characteristics of God s nature giving you a new appreciation of God s love in all its fullness You may think you know what love is but not until you ve experienced His extravagant love will you understand what it s like to be loved by a King the unrestrained and lavish God whose passion draws souls into eternity

Witten, 2023-11-14 How the image of God is being refashioned from the Protestant pulpit for an increasingly secular world In recent years direct mail Christianity has extended a new kind of invitation to the Protestant faithful slick brochures

enumerating the social and psychological advantages of church attendance with no mention whatsoever of spiritual striving suffering or faith in God Does this kind of secularity prevail in mainline Protestant churches Marsha Witten looks for an answer to this question through an in depth analysis of preaching on an important New Testament text the Parable of the Prodigal Son Witten finds that the transcendent and awesome God of Luther and Calvin whose image informed early Protestant visions of the relationship between human beings and the divine has been greatly softened in demeanor in American Protestant churches with only minor resistance from conservative traditions As preached from the pulpits of the Presbyterian Church USA and the Southern Baptist Convention God is a deity whose primary function lies in providing psychological benefits to individual church members the Parable of the Prodigal Son portrays God as a loving and understanding daddy figure The focus is not on the challenges that the church could pose to the secular sphere of life Instead individuals are encouraged to make the right choices among the secular world s various offerings or as in many Southern Baptist messages to accept God s offer of rescue from the lostness of secular confusions Situating the sermon at the heart of Protestant worship All Is Forgiven shows how complex rhetorical strategies continue to transform Christian faith and help it survive in a secular world      **Feel** Matthew Elliott,2008 In *Feel* Matthew Elliott takes a critical look at what our culture and many churches have taught about controlling and ignoring our emotions He contends that some of the great thinkers of the modern era got it all wrong and that the Bible teaches that God intends for us to live in and through our emotions Emotions are good things that God created us to feel Matthew helps us to understand our emotions and equips us to nurture healthy feelings and reject destructive ones publisher description      **Finding Father** A.
