Henry STEBBING (D.D., F.R.S., Rector of St. Nicholas Cole Abbey, London.),1842 A Journey to the High Places Christopher Felix Bezzina,2012-12-24 Since his existence the human being has explored various ways in his quest for God Part of this search is related to humanity s yearning for true harmony and joy in the world Christian spirituality as a unique spirituality one encounters today imparts various ways one can respond to this longing One of these ways is through allegorical narratives Specifically this study analyzes the spirituality of Hannah Hurnard 1905 1990 by intertextually perusing her most famous allegorical narrative Hinds Feet on High Places A Journey to the High Places is divided into four chapters In chapter 1 the allegorical narrative is subjectively considered in all its aspects and the central themes are expressed without any reference to other secondary connections Chapter 2 analyzes the allegorical narrative by relating this narrative with other material that Hannah Hurnard

published These other narratives provide the tools which Hannah employed in the composition of this allegorical narrative Thus chapter 2 presents an intertextual analysis between her other publications and *Hinds Feet on High Places* Likewise chapter 3 presents another intertextual analysis between the many biblical abstracts and their relation to the narrative in the hope of showing her biblical interpretations Several spiritual themes that emerged from the preceding chapters are discussed in chapter 4 presenting a consistent spirituality In presenting the themes one notes that the strong points and weaknesses of Hannah s spirituality are related to other Christian spiritual traditions In order to conduct a comprehensive study the introductory section of this study deals with the significance of allegory and spirituality **The Way of St.**

Francis Murray Bodo,2010-05-19 *The Way of St Francis* challenges the reader with a renewed understanding of the saint a Francis who shows us a way of life both stimulating and troubling who asks us to look again at the possibilities within us and around us and to whom we turn repeatedly in interpreting our own human experience of God The Franciscan way helps transforms and renews us The book is composed of chapters on ways of letting go of achieving poverty simplicity and nonviolence *Love and Loss A Journey through Fear to Peace - Volume Five* Betty Hibod,2025-01-08 What if the teachings of scripture weren t just stories or symbols but lived realities *LossLove and A Journey through Fear to Peace* offers a rare window into that experience Unlike traditional biographies or historical accounts this spiritual memoir invites readers deep into the invisible world of awakening Betty Hibod s journal based narrative is intensely personal documenting the lived embodiment of mystical principles across time grief and divine revelation From devastating loss to divine union from emotional disintegration to spiritual clarity Betty records her journey not as metaphor but as transformation made flesh More than a spiritual memoir this book is a detailed sensual and unfiltered chronicle of mystical awakening It explores tantric love divine feminine spirituality and non dualism through a lens that is both deeply human and profoundly sacred Rather than offering abstract theories it shows how the myths of sacred texts take shape in daily life It answers the questions rarely spoken aloud What does enlightenment feel like in real time How does one survive and evolve through spiritual paradox grief and loss and the collapse of personal identity Infused with mystical awakening philosophical reflection and raw emotional truth this is not a book about religion It is a book of lived revelation For readers seeking a deeper understanding of consciousness sacred sexuality or the journey of awakening this memoir is a path inward Step beyond the stories Walk into the soul Buy now and begin the journey
