Eyes Of Desire A Deaf Gay And Lesbian Reader:

Eyes of Desire Raymond Luczak,1993 In a collection of essays deaf lesbians and gay men discuss their lives describing how they discovered their sexual identity overcame barriers to communication in a hearing world and created a deaf gay and lesbian culture Amazon com viewed Nov 1 2022 **Sociology Looking at Disability** Sara E. Green, Sharon N. Barnartt,2016-12-22 The purpose of this volume is to explore existing literature with an eye towards encouraging scholars not to ask the same old questions but to use older writings as a basis for revolutionary and evolutionary thinking What do the older writings tell us about what questions we should be asking and what research we should be doing today **No Walls of Stone** Jill Christine Jepson,1992 They also will discover emotional insights capable of enhancing their own lives Finding new truths as old as the Greeks **Deaf President Now!** John B. Christiansen, Sharon N. Barnartt,2003 Deaf President Now reveals the groundswell leading up to the history making week in 1988 when the students at Gallaudet University seized the campus and closed it down until their demands were met To research this probing study the authors interviewed in depth more than 50 of the principal players This telling book reveals the critical role played by a little known group called the Ducks a tight knit band of six alumni determined to see a deaf president at Gallaudet Deaf President Now details how they urged the student leaders to ultimate success including an analysis of the reasons for their achievement in light of the failure of many other student movements This fascinating study also scrutinizes the lasting effects of this remarkable episode in the civil rights movement of the deaf Deaf President Now tells the full story of the insurrection at Gallaudet University an exciting study of how deaf people won social change for themselves and all disabled people everywhere through a peaceful revolution **City of Friends** Simon LeVay, Elisabeth Nonas,1995 City of Friends offers a practical intelligent and well informed overview of what it means to be gay or lesbian The authors seek to help gay men and women as well as their families and friends to better understand the institutions and communities that make up the most culturally and ethnically diverse minority in America today Beginning with basic concepts LeVay and Nonas define the words homosexual gay lesbian and bisexual and discuss the various patterns of homosexuality in different cultures around the world They relate the history of the gay and lesbian community in the United States and its struggle for equal rights and social acceptance before tackling the question still highly controversial of what determines an individual s sexual orientation City of Friends describes the great diversity within the gay and lesbian community Life in the gay ghetto Old lesbians in rural hideaways Gay resorts A town without men Gay and lesbian Latinos African Americans Asian Americans and Native Americans what it means to be a minority within a minority Lesbian and gay youth the elderly the deaf Bisexuals and transsexuals Academics drag queens technoqueers publishers softball players all make their appearance in these pages LeVay and Nonas continue with a discussion of health issues especially of the AIDS epidemic and the community s response to it the law and gay and lesbian politics They describe the cultural achievements of lesbians and gay men their art literature theater music and dance Finally

they take a look at the spiritual life of gays and lesbians both within and outside of organized religion **Crip Theory**

Robert McRuer, Michael Bérubé, 2023-11-21 A bold and contemporary discourse of the intersection of disability studies and queer studies Crip Theory attends to the contemporary cultures of disability and queerness that are coming out all over Both disability studies and queer theory are centrally concerned with how bodies pleasures and identities are represented as normal or as abject but Crip Theory is the first book to analyze thoroughly the ways in which these interdisciplinary fields inform each other Drawing on feminist theory African American and Latino a cultural theories composition studies film and television studies and theories of globalization and counter globalization Robert McRuer articulates the central concerns of crip theory and considers how such a critical perspective might impact cultural and historical inquiry in the humanities Crip Theory puts forward readings of the Sharon Kowalski story the performance art of Bob Flanagan and the journals of Gary Fisher as well as critiques of the domesticated queerness and disability marketed by the Millennium March or Bravo TV's Queer Eye for the Straight Guy McRuer examines how dominant and marginal bodily and sexual identities are composed and considers the vibrant ways that disability and queerness unsettle and re write those identities in order to insist that another world is possible *AIDS Narratives* Steven F. Kruger, 2013-10-28 This is the first book length study of the rich fiction that

has emerged from the AIDS crisis Examining first the ways in which scientific discourse on AIDS has reflected ideologies of gender and sexuality such as the construction of AIDS as a disease of gay men part of a battle over masculinity and thus largely excluding women with AIDS from public attention the book considers how such discourses have shaped narrative understandings of AIDS On the one hand AIDS is seen as an invariably fatal weakening of an individual's bodily defenses a depiction often used to reconfirm an identification between disease and a weak and vulnerable gayness On the other hand AIDS is understood in terms of an epidemic attributable to gay immorality or unnaturalness The fiction of AIDS depends upon these two narratives with one major subgenre of AIDS novel presenting narratives of personal illness decline and death and a second focusing on epidemic spread These novels also question the narrative structures upon which they depend intervening particularly against the homophobia of those structures though also sometimes reinforcing it **Sex and Disability** Robert

McRuer, Anna Mollow, 2012-01-04 This collection brings together scholars and artists in disability studies sexuality queer theory and feminism to show how much sexuality studies and disability studies have to learn from each other **Proud**

Heritage Chuck Stewart, 2014-12-16 This groundbreaking three volume reference traces the roots and development of lesbian gay bisexual and transgender LGBT rights and issues in the United States from the pre colonial period to the present day With the social religious and political stigmas attached to alternative lifestyles throughout history most homosexuals bisexuals and transgender people lived covertly for much of if not all of their lives Likewise the narrative of our country excludes the contributions struggles and historical achievements of this group This revealing chronologically arranged reference work uncovers the rich story of the LGBT community in the United States and discusses the politics culture and

issues affecting it since the early 17th century Author Chuck Stewart traces the evolution of LGBT issues as part of our nation s shared cultural past and modern day experience Volume 1 focuses on the origins of the movement with the founding of Jamestown in 1607 through the 1970s and the beginning of gay rights activism in the United States Volume 2 spans the 1980s and the AIDs pandemic through the present day issues of marriage equality Volume 3 gives a concise review of this society in each of the 50 states the District of Columbia and Puerto Rico **Arts and Humanities** Brenda Jo

Brueggemann,2012-08-02 This volume in The SAGE Reference Series on Disability explores the arts and humanities within the lives of people with disabilities It is one of eight volumes in the cross disciplinary and issues based series which incorporates links from varied fields making up Disability Studies as volumes examine topics central to the lives of individuals with disabilities and their families With a balance of history theory research and application specialists set out the findings and implications of research and practice for others whose current or future work involves the care and or study of those with disabilities as well as for the disabled themselves The presentational style concise and engaging emphasizes accessibility Taken individually each volume sets out the fundamentals of the topic it addresses accompanied by compiled data and statistics recommended further readings a guide to organizations and associations and other annotated resources thus providing the ideal introductory platform and gateway for further study Taken together the series represents both a survey of major disability issues and a guide to new directions and trends and contemporary resources in the field as a whole

Reader's Guide to Lesbian and Gay Studies Timothy Murphy,2013-10-18 The Reader s Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report **Routledge Handbook of Sexuality Studies in East Asia** Mark McLelland,Vera Mackie,2014-09-15 This collection brings together cutting edge work by established and emerging scholars focusing on key societies in the East Asian region China Taiwan Hong Kong Japan North and South Korea Mongolia and Vietnam This scope enables the collection to reflect on the nature of the transformations in constructions of sexuality in highly developed developing and emerging societies and economies Both Japan and China have established traditions of sexuality studies reflecting longstanding indigenous understandings of sex as well as more recent developments which interface with Euro American medical and psychological understandings Authors reflect upon the complex colonial and economic interactions and cultural flows which have affected the East Asian region over the last two centuries They trace local flows of ideas instead of defaulting to Euro American paradigms for sexuality studies Through looking at regional and global exchanges of ideas about sexuality this volume adds considerably to our understanding of the East Asian region and contributes to wider discussions of social transformation modernisation and globalisation It will be essential reading in

undergraduate and graduate programs in sexuality studies gender studies women s studies and masculinity studies as well as in anthropology sociology history cultural studies area studies and health sciences **Telling Sexual Stories** Ken

Plummer,2002-11-01 This book explores the rites of a sexual story telling culture and examines the nature of these newly emerging narratives and the socio historical conditions that have given rise to them *Disability Protests* Sharon N.

Barnartt,Richard K. Scotch,2001 In 1952 the Federal Republic of West Germany concluded a treaty with Israel whereby the Germans had to pay three billion Deutschmarks in compensation for the Holocaust However the Israelis felt that Germany owed Israel a moral as well as a financial debt and thus expected further aid and protection Although Germany made several concessions in favour of the Jewish State particularly in the domain of armament as Germany s political status increased its national interest gradually took priority over that of Israel George Lavy examines the grounds which motivated Germany to grant aid to Israel and the change in their relations as the German economy flourished and gained influence in world affairs

The SAGE Deaf Studies Encyclopedia Genie Gertz,Patrick Boudreault,2016-01-05 The time has come for a new in depth encyclopedic collection of articles defining the current state of Deaf Studies at an international level and using the critical and intersectional lens encompassing the field The emergence of Deaf Studies programs at colleges and universities and the broadened knowledge of social sciences including but not limited to Deaf History Deaf Culture Signed Languages Deaf Bilingual Education Deaf Art and more have served to expand the activities of research teaching analysis and curriculum development The field has experienced a major shift due to increasing awareness of Deaf Studies research since the mid 1960s The field has been further influenced by the Deaf community s movement resistance activism and politics worldwide as well as the impact of technological advances such as in communications with cell phones computers and other devices A major goal of this new encyclopedia is to shift focus away from the Medical Pathological Model that would view Deaf individuals as needing to be fixed in order to correct hearing and speaking deficiencies for the sole purpose of assimilating into mainstream society By contrast The Deaf Studies Encyclopedia seeks to carve out a new and critical perspective on Deaf Studies with the focus that the Deaf are not a people with a disability to be treated and cured medically but rather are members of a distinct cultural group with a distinct and vibrant community and way of being Innovations in Deaf Studies

Annelies Kusters,Maartje De Meulder,Dai O'Brien,2017 Innovation in Deaf Studies explores deaf scholars research practice in Deaf Studies and highlights innovations in the field by foregrounding deaf ontologies and how they inform researchers theoretical frameworks positionalities and methodologies The A to Z of the Lesbian Liberation Movement JoAnne

Myers,2009-08-20 The Lesbian Liberation Movement is both a movement that encompasses liberating a sexual practice from stigmatization and a political movement challenging the dual oppression of women by the patriarchy s assumption of male supremacy and heterosexuality Over the years much has been written on homosexuality and the Gay Liberation Movement yet much of the focus has been on male homosexuals especially male homosexual activity and the politics that activity raises
