**The Eyes Of Heaven** Nawaz Hajiani,2024-05-14 A GOD HELD CAPTIVE BY A HERETICAL SORCERER A CHILD Sired for an unwanted destiny A killer who wants to undo creation The greatest journey begins with a single step For Saika it began with the collision of two universes Born in a multiverse broken by design and abandoned by its incompetent Creator Saika is a gifted healer bred for a single purpose to tread the beaten path on the Journey and seek out the Eternal Answer the Light of all Knowledge the Wisdom of the Ages Finding the Eternal Answer after a lifetime of searching was not the end she sought to her Journey It was merely a waypoint to a disappointing destiny Saika looks at Creation through new eyes flooded with knowledge All around her she sees the paradox of Creation that thrives not on life but on death On every world every species that exists is a killer For one species to flourish another must die Disgusted by the Creator s ineptitude Saika forges a new destiny to fix Creation itself The multiverse however cannot be fixed from within by the same laws that created it Creation must be remade with new laws and new rules This can only happen when the existing multiverse is unmade Take it Break it Remake it But the healer like everyone else is bound to the Journey and all paths lead to Journey s end Blending science fiction and fantasy The Eyes Of Heaven is the blistering follow up to The Fear Of Death that upholds the truth of the ancient proverb out of the same womb comes a healer and a killer Shawn W. *The Pyramid Conspiracy* Pat Burchfield,2023-02-09 Since the days before the Great Flood angels called Nephilim roamed the land and began to breed with humans destroying the DNA of mankind and infecting the human race with the evil that had infected them from the fall of Lucifer who then hated God so much he brought sin to the earth in the form of a serpent causing Adam and Eve to fall in the garden allowing generational sin to continue down through the ages Just as sons and daughters receive an inheritance from their parents they also receive sin from the parents as well But why did Lucifer do this If we go to the Bible I think we can find the answer It began with the creation of the angels especially the angel Lucifer who is described in the Book of Isaiah 14aEUR12 and Ezekiel 28aEUR13 as being perfect in all his ways until sin was found in him He was also described as the most beautiful creature God ever made Diamonds rubies and emeralds were his covering In other words he made the jewels of the earth look good But again why did he fall I believe one day Lucifer took a long look into the mirror and thought to himself Man you are one good looking dude Any angel that looks this good should be a god himself And it caused pride to well up inside himself causing him to sin Did God know Lucifer would sin Sure he did God is omniscient There is nothing hidden from him God also saw the pride well up inside Lucifer for God is also omnipresent as well And like the infection the angels brought to the earth Lucifer infected a third of the angels of heaven causing war in the third heaven which is in the sides of the north And there was war in heaven and Michael the Archangel along with His angels fought with the Devil and His angels Revelation 12 7 And the devil was kicked unto the earth taking one third of the stars which are also called angels with him which brings us back to the Great Flood God saw what the angels had caused by mating with humans To stop the destruction of man God sent the flood to destroy the angelsaEUR tm DNA off the earth Only eight souls were saved to carry on the human race and to make sure the angels no longer mated with humans their angelic bodies were taken away leaving them with a disembodied spirit to be called by mankind by the term demons This stayed the same until the tribulation period when ten of these evil spirits gained their freedom to inhabit human bodies once again They created a conspiracy to destroy humans using an information chip which every human would have to take if they were to buy or sell anything Without the chip you would die If you took the chip you

were bound for a lake of fire a place that was made and reserved for the devil and his angels The Pyramid conspiracy was instituted by these ten with the Antichrist at the top      **Eye of the Saber** S.S. Wolfram,F.J. Blooding,2020-04-19 Dexe has his alpha back and he s using it to protect his family all of them Dexe is finally back with his family and now they re in the greatest danger they ve ever faced A normal man might shrivel from that not to say he s not crying in the small dark corners of his mind but he s doing everything in his power to rise to the occasion But trick after trick trial after trial battle after battle he and Paige are faced with the reality that the tactics they d used in the past to fight demons and angels don t work now They ve come up against a foe who is too big and too powerful in a way they ve never fought against before Their magickal abilities are powerless against this enemy Dexe and his saber toothed cat are no match against bullets Dexe is doing everything he possibly can to protect his family but he and Paige both are realizing that they might not be enough What is it going to take to win They really hope they don t have to die to find out but if that s what it takes      **Veytia** D.B. McIvor, Two species the Brotnim and the Arzyen have been locked in perpetual war for as long as anyone can remember However one day in the midst of battle a giant breaks into their world and begins devouring everyone in its path not to mention the very landscape itself As the two sides struggle to confront this unprecedented menace one member of each species is suddenly plucked from the battlefield and thrust into a strange new world that is quite literally a blank slate Unable to get their bearings the two sworn enemies also discover they are unable to harm each other Forced to work together to overcome a series of adversaries as they struggle to find their way back home Haust a Brotnim and Tyghan an Arzyen form a unique bond overcoming their initial disgust with each other to discover they have far more in common than they realized Throughout their journey the story moves back and forth from past to present as Haust and Tyghan share their stories in an attempt to understand themselves each other and the life they thought they knew When their journey finally catches up to the present they arrive back in their own world just in time to use what they ve learned to help their people confront the invader that has placed the survival of both species in peril But unless their compatriots are able to accept and apply the lessons Haust and Tyghan have learned all hope for both species may be lost      **Medusa "Through the Eyes of the Gorgon"** Skevi Philippou,2018-01-03 The author takes us on a journey of discovery as the protagonist discovers that she possesses the astonishing gift of sight but also an abundance of compassion and love for humanity that is unmatched by any God The author in her adoring portrayal so eloquently and intimately engages with and unravels the infamous Grecian Myth of the great and powerful Medusa This myth denied Medusa her voice forever condemning her fragmented monstrous form whereas this wonderful story celebrates and gives Medusa back what she had lost for centuries However evil has many faces as Medusa unveils the horrid guises of the righteous and guides us through the difference between truth and verisimilitude Condemned to live a half life in the shadows her deadly stare forbids any hope of any human contact she is made to be the repulsive monster that everyone fears they too could become But her story does not end there She rewrites history as this so

called monster holds a mirror up defiantly to the gods and to us      *Eye of the Labyrinth* Jennifer Fallon,2007-12-18 Since the Age of Shadows ended the people of Ranadon have lived under the merciless heat of two suns and the tyranny of Antonov the Lion of Senet Consumed by his lust for power and his unshakable belief in the capricious almighty Goddess Antonov's rule is absolute Only one man has the intelligence and will to break that hold a man who could be King Suddenly widowed Morna Provin Duchess of Elcast has lost her only protector With her son banished for an unspeakable crime she faces a horrifying fate at the hands of the Lion of Senet as retribution for her relationship with the heretic Johan Thorn But it is only part of a cunning scheme to lure her son Dirk Provin back into the fold so Antonov can consolidate his power once and for all With his mother's life at stake Dirk Provin must emerge from hiding in the Baenlands and return to Elcast setting in motion a rebellion that will expose long buried secrets and ignite festering hatreds For a ruler's fears and a madman's prophecy will start Dirk on a quest for truth that will spark a fierce battle between two very different men one who believes only what his five senses tell him the other obsessed by his faith in the divine It is a clash that will bring to light a revelation that may shatter them all      The Golden Book Magazine ,1929      **In the Eye of the Animal** Patricia Cox Miller,2018-07-31 In the Eye of the Animal Zoological Imagination in Ancient Christianity complicates the role of animals in early Christian thought by showing how ancient texts and images celebrated a continuum of human and animal life      The Eye of the Warlock P.
