The American Cowboy Chronicles Old West Myths & Legends Thomas Correa,2019-12-14 This book is about the real Old West The research presented here comes from what I ve found during my more than forty five years of researching American history but especially what I ve learned in regards to the other side of the myths and legends of the Old West In 2010 I started a blog The American Cowboy Chronicles to share what I ve learned and celebrate the virtues of America My articles on the Old West have never been meant to dispel the myths or attack legends but to simply explain what I ve found after taking a hard look an honest look an objective look at the evidence that s available Since evidence proves or disproves what we ve all been told about the Old West by Hollywood and writers who are not objective researchers this is my attempt at taking a fresh look at Wyatt Earp Tom Horn and others But mostly this book is about why the American Cowboy became America s quintessential role model This book looks at why the American Cowboy represents American toughness independence and resilience to the rest of the World

Blind Eye John Morgan Wilson,2004-11-13 Benjamin Justice a disgraced journalist in his mid forties is slowly putting his life back together Under

contract to write his tumultuous life story Justice is trying to put all the elements of his life into perspective for the first time When trying to locate his childhood priest however he runs into a bureaucratic stone wall Then his best friend s fiancée a Los Angeles Times columnist is killed in a tragic and suspicious hit and run accident shortly after trying to aid Justice in his search Reluctant at first Justice soon finds himself in the midst of a complex case involving a decades old child murder a powerful and controversial cardinal and elements of his own dark past **Success Magazine** ,1907 **ODL Source** ,1989

The Conspiracy Monsignor William McCarthy,2010-08-18 The Conspiracy chronicles the monumental struggles of an innocent priest Monsignor William McCarthy falsely accused in 2003 of molesting two young sisters more than 23 years earlier On the eve of his retirement from a stellar career as a priest and pastor for the next five tortuous years he was the victim of an anonymous complaint that was accepted as true by his bishop and friend of 40 years Share his travails and see how ones faith can overcome the worst injustices that man can heap on a holy and totally innocent person Jack Kraft Esq Monsignor William McCarthy paints a picture embracing a situation that is almost impossible to comprehend Had I not stood by him throughout the years of pure hell he experienced I would not have believed the outright calumny by a detective and how the subsequent action of his bishop and diocesan staff could have occurred Child abuse is a terrible thing but equally horrible is when innocent priests are unjustly condemned and destroyed by the hierarchy of their church Arthur N Hoagland M D This book is a must read for any Catholic who loves their Church but is concerned about its often self destructive response to the tragedy of clerical pedophilia It is story about tragedy and triumph The tragedy of the Church that Monsignor McCarthy loves deeply and into which he has selflessly devoted his entire life but is sometimes governed by people who have lost all sense of justice It is a Church that betrayed him In its attempt to protect the victims of child abuse it established a new category of victims its faithful priests The triumph of Monsignor McCarthy is his faith and love of Jesus which saw him through his terrible ordeal in spite of the evil that was perpetrated against him Deacon Joseph Keenan *Oregon*
