**Ezekiel's Sign-Acts** Tyler D. Mayfield, Penelope Barter, 2024-11-04 The Ezekiel passages describing the instructions for and dramatization of divine messages Ezekiel 3 5 12 24 37 are among the most bizarre in the Hebrew Bible The prophet is commanded to embody his message of judgment to Jerusalem and these actions clarify the oracles they surround Yet these sign acts are frequently overlooked within Ezekiel studies which tend to focus on the book's strange visions and controversial oracles This volume addresses the growing diversity in approaches in Ezekiel studies by inviting international senior and junior scholars to focus on the texts concerning Ezekiel's sign acts It aims to redirect scholarly attention to these often ignored texts which stand so central to understanding the nature of prophecy as well as the overall book of Ezekiel

**Clothing and Nudity in the Hebrew Bible** Christoph Berner, Manuel Schäfer, Martin Schott, Sarah Schulz, Martina Weingärtner, 2019-06-27 The volume discusses nudity and

clothing in the Hebrew Bible covering anthropological theological archaeology and religious historical aspects These aspects are addressed in three separate sections enhanced by over a hundred pictures and illustrations Part I places nudity and clothing in its ancient Israelite context with discussions of methodology the ancient Near Eastern evidence including material culture and iconography and an assessment of central aspects of the biblical material such as fabrication and uses of textiles lexicography theological and anthropological implications Part II looks at key themes such as mourning death encounters with the divine and issues of power and status Finally Part III presents several close studies of key passages from narrative prophetic and wisdom texts where clothing and nudity play an important role **Ezekiel's Vision Accounts as**

**Interrelated Narratives** Janina Maria Hiebel, 2015-06-16 Ezekiel is one of the best structured books in the Old Testament It is commonly recognized that the strongly interrelated vision accounts Ez 1 1 3 15 8 11 37 1 14 40 48 contribute greatly to this impression of unity However there is a marked lacuna in publications focusing on the vision accounts in Ezekiel as an interconnected text corpus The present study combines redaction critical analysis with literary methods that are typically used in a synchronic approach Drawing on the paradigm of Fortschreibung it is the first to present a united redaction history that takes into account the growing interconnections and dependencies between the vision accounts Building on these results the second part follows the development of selected themes such as the relationships between characters the roles of intermediate figures and anthropological and theological implications throughout the stages of redaction The study thus represents an important step towards an understanding of the complex redaction history of the book of Ezekiel and indeed of its theology The combination of diachronic and synchronic methods makes it relevant for scholars of both directions and is itself a methodological statement **Jon Courson's Application Commentary** Jon Courson, 2007-01-14 A devotional

come from a big bang billions of years ago or did an Intelligence far beyond our own create it If the Universe was created

then why was it created and what's its purpose What's man's purpose where did we come from did we evolve from primordial ooze or were we created in the likeness of that same intelligence Did this intelligence this God always exist Where did he come from how did he come into existence Why would this God this spirit have the likeness of a man with arms legs and feet Answers to these questions have eluded mankind since the dawn of time Many theories have attempted to answer them but there are always flaws Questions still remain Questions such as where did the matter and energy of this big bang come from how could it just happen to be there I believe that hidden deep in the pages of the Bible lay the answers to all of these questions and for thousands of years no one has realized it nor been able to put it all together However after seven years of research I believe that this book can answer all of the above questions without leaving any loose ends I believe that contained within the pages of this book lay the answers to all of mankind's deepest questions Answers to questions such as where did God come from why was the Universe created what is mankind's purpose and the age old question which came first the chicken or the egg This little book can also tell you where we as a civilization are headed and what our ultimate fate will be all from the Bible

*Mission in Action* Martin C. Salter, 2019-04-18 Missional ethics is concerned with the way in which the believing community's behaviour is in and of itself a witness to the wisdom and goodness of God The debate surrounding the relationship between word and deed or evangelism and social action remains a significant issue within evangelical missiology Martin Salter seeks to address one aspect of that debate namely the missional significance of ethics by conducting detailed exegesis of key biblical texts He argues that biblical ethics is neither entirely separate from nor merely preparatory for mission rather it is an integral part of the church's mission Missional ethics is a theme that arises from the biblical texts and is not imposed on them The church as both organism and institution embody a missional ethic that includes worship justice and charity Word and deed belong together as an integral whole Salter's valuable study concludes by offering a definition of missional ethics

*Divine Initiative and the Christology of the Damascus Road Encounter* Timothy W. R. Churchill, 2010-04-28 The Damascus road encounter between Jesus and Paul is foundational to understanding the early development of Christology and indeed Christianity since it is the first appearance of the post ascension Jesus contained in the earliest Christian literature This study examines the encounter as it is described in Paul's epistles and the book of Acts Since Paul interprets his experience within

the Jewish tradition this study begins with a survey of epiphany texts in the Old Testament and other ancient Jewish literature This reveals two new categories for appearances of God angels and other heavenly beings Divine Initiative and Divine Response This survey also finds two distinct patterns of characterization for God and other heavenly beings These findings are then applied to Paul s accounts of his Damascus road encounter Paul depicts the encounter as a Divine Initiative epiphany This conclusion is significant since it argues against the current view that the encounter was a merkabah vision Paul s Christology in the Damascus road encounter is also significant since Jesus is characterized as divine Such divine characterization is not typical for heavenly beings in first century CE epiphany texts Thus a high Pauline Christology appears to be present at a very early point The three accounts of the Damascus road encounter in Acts also fit the pattern of Divine Initiative not merkabah and exhibit the high Christology of Paul s accounts In fact the three accounts in Acts are shown to form an intentionally increasing sequence culminating in the revelation that Paul was called to be an apostle by Jesus himself on the Damascus road

*They Shall See God* H. Allen Hanson, 2010-05 Jesus said Blessed are the pure in heart for they shall see God Matthew 5 8 The Bible progressively reveals a glorious description of God the Father beginning with Moses in the book of Genesis and ending with what John saw in the book of Revelation The author has done massive research showing that the Bible is full of descriptions of the glory of God This is a unique book one of kind about the visual glory of God It is incredible that nothing has been written about this aspect of the glory of God since one of the basic meanings of glory is visual brilliance and splendor It is true that no man has seen God because He has hidden him Himself for several reasons Man would die if he saw Him Man would make an idol of Him God desires that man have faith in an unseen God Many theologians maintain that God cannot be seen that He has no face or form because He is spirit invisible and omnipresent The book addresses these concepts Jesus however said that He has seen God and that angels see His face This book should be in the shelves of every seminary Bible school minister s study and in the hand of every person as a help in Bible study or in seeking to know more about God May it inspire every Christian to anticipate that day in heaven when they shall see Jesus and God the Father

**The Faces of the Chariot** David Joel Halperin, 1988 *The Blessing of Abraham, the Spirit, and Justification in Galatians* Chee-Chiew Lee, 2013-08-12 What has the Spirit to do with the blessing of Abraham and justification This book challenges the common assumption that the Abrahamic blessing and the Spirit are equated in Gal 3 14 and points out how an accurate understanding of the relationship between these two motifs contributes significantly to appreciating Paul s overall argument in Galatians and his theology of justification Even though Paul does not cite Old Testament passages on the promise of the Spirit in Gal 3 14 his arguments are nonetheless deeply influenced by the whole prophetic tradition about the Spirit Most current discussions on the present and future aspects of justification have yet to consider the Spirit s role in the latter Given the renewed interest in Pauline justification this book contributes to this important aspect of the Spirit s role in future justification which needs to be developed further in Pauline and New Testament theology Flights of

the Soul John J. Pilch, 2011-04-29 Reports of dreams journeys into the heavens and other alternate states of consciousness abound in the Old and New Testaments and in extrabiblical literature While some scholars have considered such reports to be simple literary devices John J Pilch a leading expert in social scientific interpretation of the Bible believes otherwise As Pilch points out anthropological research on over 400 representative cultures in the world shows that more than ninety percent of these cultures have reported such experiences routinely Factual or not he says biblical accounts of alternate consciousness are both plausible and significant because they constitute a very common real human experience in their respective cultures Drawing on insights from from anthropology cognitive neuroscience psychology and the social sciences Pilch investigates and interprets Old and New Testament accounts of dreams visions journeys into the heavens and other alternate states of consciousness within their cultural contexts The result is a fresh and intriguing take on familiar biblical events Flights of the Soul sheds new light on such things as these Ezekiel s prophetic visions Enoch s sky journeys Jesus transfiguration and ascension Resurrection appearances in the Gospels Paul s ecstatic vision on the road to Damascus John s heavenly journeys described in Revelation

*Your God Is a Devouring Fire* Michael Simone SJ, 2023-07-19 In the ancient Near East the distinction between the divine realm and the material world was not always clear In Mesopotamia statues kings and even cultic utensils could become gods in their own right Certain biblical traditions show this idea as well Yhwh appears as a human during visitations to Abraham and Jacob Gen 18 1 2 and 32 25 31 Yhwh also can act through objects Gen 15 17 1 Sam 5 1 5 This suggests that in Israel as in Mesopotamia a distinction between humans and gods was one of status more than ontology Throughout the ancient Near East religious literature included motifs that emphasized divine status such as power size wonder working ability and the possession of numinous qualities In Israel these divine status symbols were frequently storm motifs like cloud precipitation and fire Fire was one of the most common perhaps because being vivid and powerful it shared Yhwh s life giving transformative yet dangerous qualities In certain narratives fiery motifs accompany an embodied divine presence At other times fiery phenomena are the sole perceptible indications of divine presence As a motif of divinity fire can symbolize divine agency even functioning at a distance from Yhwh or shared with a secondary agent like an angel tool or weapon Israel s extensive use of fire in the cult gives witness to similar traditions Divine fire accompanies each new cultic inauguration in the Hebrew Bible A tradition in Leviticus suggests that this fire remained continuously burning and served as a gate that allowed God to receive portions of the cultic offering In the Hebrew Bible fire was thus a status symbol of divinity drawn from traditional storm motifs and ancient conventions of divine embodiment In its vivid ethereal appearance and power to give transform and take life it symbolized the presence and agency of Yhwh the God of Israel

*Calvin's Complete Commentary on the Bible* Calvin, John, All 46 of the original volumes are included in this one volume There are two linked indexes in this volume a main index at the front of this volume that will take you to the beginning each of the books of the bible and another index at the beginning of each book there is a linked scripture index

leading to the particular subject John Calvin is considered as the first truly great scholar of the Reformation. Indeed he has even been seen by some to be one of history's greatest Christian biblical scholars. He had an incredible command of the Bible and his interpretations were not based on just one or two passages. He combined pastoral insight with solid exegesis to form a strong interpretation of the scriptures. However, some of his views on the prophetic interpretation, such as in the book of Daniel, are controversial. He put forth a purist view and believed that the prophecies in the book of Daniel applied solely to the history between the time of the prophet Daniel 530 BC and Jesus first coming 30 AD. Nevertheless, John Calvin was a force to be reckoned with and is considered to have a unique insight which enabled him to find the true meaning of the Bible. Dutch theologian Jacobus Arminius, after whom the anti-Calvinistic movement Arminianism was named, states that "Next to the study of the Scriptures which I earnestly inculcate, I exhort my pupils to peruse Calvin's Commentaries which I extol in loftier terms than Helmich himself. A Dutch divine 1551-1608 for I affirm that he excels beyond comparison in the interpretation of Scripture and that his commentaries ought to be more highly valued than all that is handed down to us by the library of the fathers so that I acknowledge him to have possessed above most others or rather above all other men what may be called an eminent spirit of prophecy. His Institutes ought to be studied after the Heidelberg Catechism as containing a fuller explanation but with discrimination like the writings of all men." During his life, Calvin produced commentaries on 48 books of the Bible, a total of 45 published volumes. He intended to put out a complete commentary of the Bible but his death prevented this. The books of Judges, Ruth, 1 & 2 Samuel, 1 & 2 Kings, 1 & 2 Chronicles, Ezra, Nehemiah, Esther, Job, Proverbs, Ecclesiastes, Song of Solomon, 2 & 3 John, and Revelation were unfortunately not completed. He did, however, write a two-volume commentary of the Harmony of the Gospels, Matthew, Mark, and Luke, as well as a separate commentary for the gospel of John. Likewise, he also wrote a two-volume series on the Harmony of the Law, Exodus, Leviticus, Numbers, and Deuteronomy. Calvin's own exegesis of the original text allowed him to bring out a unique and pleasing interpretation. He begins each section of scripture with his own translation of the text and then further expounds upon it point by point, making it an excellent resource for ministers and teachers alike. After more than 400 years, Calvin's commentaries are still a relevant and essential tool for Christians.

**Reading Prophetic Books** Marvin A. Sweeney, 2014-07-15. In this volume, Marvin A. Sweeney builds upon his former work *Form and Intertextuality in Prophetic and Apocalyptic Literature* (FAT 45, 2005). He introduces further studies that take up several key issues, including the reading of prophetic books in their final literary form and the significance of textual versions for this reading. He also observes the intertextual relationships between the prophets and other works of biblical and post-biblical literature and the reception of the prophetic books. Following an introduction that lays out methodological perspective, it includes the title essay for the volume *Reading Prophetic Books*, as well as selections of papers devoted to Isaiah, Jeremiah in both its Masoretic and Septuagint forms, Ezekiel, individual books from the Twelve Prophets, and the reading of biblical texts in Qumran, Rabbinic, and Targumic literature.

**The Jubilee from Leviticus to Qumran** John Bergsma, 2007-03-31 The observation of the Jubilee Year 2000 by many Christian groups worldwide generated renewed interest in the theological historical and socio economic aspects of the biblical jubilee This book begins with an analysis of the historical origins of the jubilee institution in ancient Israel and then traces the reinterpretation of the jubilee and the text of Leviticus 25 through the Old Testament the Second Temple literature and the Qumran documents It demonstrates that with the passage of time the socio economic implementation of the jubilee is increasingly de emphasized in favor of an eschatological interpretation in which the jubilee

itself functions as a type of the final age and cycles of jubilee years are employed to calculate when this age will arrive

The Alpha and Omega Pat Burleigh, 2021-04-06 This book is about the amazing revelation of God's plan for the whole world. He knows the end from the beginning. The first part of the book encompasses all the aspects of salvation and the consequences of not accepting his plan of salvation and obeying his word. This is a wonderful eye-opening book that enables us to walk through the corridors of time until we see the New Heaven and earth. It reveals the contrast between the Old and New Testament. This book answers the question of predestination. It also shows that the Father, Son, and Holy Spirit are one unequivocally. It tells us what the definition of belief is. Scripture interprets scripture. With any doctrinal truth scattered throughout the Bible when brought together according to topic, there can be no doubts of the truth of each doctrine. Part two of the book is all about interpreting the book of Revelation. Some of the scriptures have many topics. There are seven topics in Revelation 1:4. These are the seven churches: grace, peace from him, which is and which was and which is to come, and from the seven spirits. I have capitalized REVELATION and each subsequent TOPIC. The first time I write the scripture, I do not put an asterisk in front of REVELATION. After the initial scripture, I put an in the front of every scripture REVELATION until all the topics have been exhausted. EACH NEW SCRIPTURE IN REVELATION IS CAPITALIZED.
