Ezekiel Solomon Fisch,1960 **Ezekiel** Abraham Cohen,1964 *Ezekiel* Ezechiel (Prophet),1978 **Ezekiel S.** Fisch,1950 Hebrew Text and English translation ספר עזקאל Solomon Fisch,1970 **Ezekiel S. Fisch,1976** For contents see Title Catalog ספר עזקאל Prophet Ezechiel,Solomon Fisch,1978 **Ezekiel ; Hebrew Text and English Translation with an Introd. and Commentary** Solomon Fisch,1966 *The Eschatological Role of the Jerusalem Temple: An Examination of the Jewish Writings Dating from 586 BCE to 70 CE* Eric W. Baker,2015-06 This research aims to investigate the role or roles of the physical Jerusalem temple within the second temple Jewish writings in terms of whether the physical temple has any role to play in relation to the pivot point in eschatology The pivot point or fulcrum in time refers to the end of the exile and perhaps the beginning of the eschaton The exile may be theological but many second temple Jewish texts address the physical gathering of the children of Israel to the land of Israel i e from physical exile even if the text also addresses a theological exile thus making the return a complete ingathering of the children of Israel The passages of these ancient texts have been analysed before but never with this lens Looking to see if there is any role the Jerusalem Temple performs in expected eschatological events will at least allow an answer to be given which is better than never asking the question in the first place which has been the case until now This study produces results as the Jerusalem Temple has always been a place of great expectations [Social Justice in the Ancient World](#) K D Irani,Morris Silver,1995-10-18 This edited collection focuses on the problem of social justice or more particularly how the demand for social justice was articulated and implemented in ancient civilizations including from east to west the Chinese Indian Iranian Babylonian Assyrian Israelite Egyptian Greek and Roman These essays are supplemented by discussions of the functioning of social justice in early and medieval Islam and in the postmedieval Anglo Saxon world The volume contains extended discussions of specific legal regulations royal edicts and socioeconomic practices in the various civilizations and examinations of their social political and economic consequences Written by leading scholars in their respective fields this volume will be of great interest to researchers dealing with the ancient world and the evolution of political philosophy and legal and economic rights [Ezekiel: Hebrew text and English translationwith and introduction and commentary](#) Bible. O.T. Ezekiel. Hebrew,1968 **The Prophecy That Is Shaping History** Jon Mark Ruthven,Jon Ruthven,2003 Millions of Jews Christians and Muslims believe that a 2 500 year old prophecy is about to be fulfilled a global apocalyptic jihad of many nations against the tiny state of Israel whose recent re emergence in its traditional land has sparked unrelenting rage and attack Repeated resolutions passed in the United Nations reflect world wide and nearly unanimous hostility against the so called Zionist entityeven to the point of denying its right to exist Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war but also amazingly how this prophecy by Ezekiel chapters 3644 provides the scenario for numerous best selling books in both the English speaking and Muslim worlds These best sellers not only describe this great conflagration but actually also motivate

their readers to prepare for it The Prophecy That Is Shaping History represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel s prophecy on world events This academic monograph also offers a wealth of new evidence in tracing the identities origins and ultimate destinies of the key nations of Ezekiel s prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness

Union with God in Christ Matthew Friedman,2017-10-26 A significant number of Muslim communities throughout the world reflect varying degrees of involvement in Islamic mysticism What bridges are present in this context that will facilitate not only evangelism but also discipleship and community formation Matthew Friedman guides the reader on a journey examining the response of the early Christian community to the challenges of ancient Jewish and Hellenic mysticism focusing on the central idea of union with God in Christ Far from finding this to be a leftover from the early Church he discovers that this theme remained crucial into the Reformation particularly in the writing and work of eighteenth century figures John and Charles Wesley Join Friedman as he explores resources for discipleship and community building that will be relevant to both scholars and practitioners alike and will be effective for witness within modern contexts of Islamic mysticism worldwide

Queer Theory and the Prophetic Marriage Metaphor in the Hebrew Bible Stuart Macwilliam,2016-04-08 The Hebrew Bible offers a metaphor of marriage that portrays men and women as complementary each with their distinct and natural roles Queer Theory and the Prophetic Marriage Metaphor in the Hebrew Bible draws on contemporary scholarship to critique this hetero normativity The book examines the methodological issues involved in the application of queer theory to biblical texts and draws on the concept of gender performativity the construction of gender through action and behaviour to argue for the potential of queer theory in political readings of the Bible The central role of metaphor in reinforcing gender performativity is examined in relation to the books of Jeremiah Hosea and Ezekiel The book offers a radical reassessment of the relationship between biblical language and gender identity
