**The Cambridge Companion to F. Scott Fitzgerald** Michael Nowlin, 2023-11-09 This book provides an authoritative overview of F Scott Fitzgerald's fiction and career featuring essays by leading Fitzgerald specialists *F. Scott Fitzgerald's Fiction* John T. Irwin, 2014-03-28 A personal interpretation of one of America's most important writers Fitzgerald's work has always deeply moved me writes John T Irwin And this is as true now as it was fifty years ago when I first picked up *The Great Gatsby* I can still remember the occasions when I first read each of his novels remember the time place and mood of those early readings as well as the way each work seemed to speak to something going on in my life at that moment Because the things that interested Fitzgerald were the things that interested me and because there seemed to be so many similarities in our backgrounds his work always possessed for me a special personal authority it became a form of wisdom a way of knowing the world its types its classes its individuals In his personal tribute to Fitzgerald's novels and short stories Irwin offers an intricate vision of one of the most important writers in the American canon The third in Irwin's trilogy of works on American writers *F Scott Fitzgerald's Fiction* resonates back through all of his previous writings both scholarly and poetic returning to Fitzgerald's ongoing theme of the twentieth century American protagonist's conflict between his work and his personal life This conflict is played out against the typically American imaginative activity of self creation an activity that involves a degree of theatrical ability on the protagonist's part as he must first enact the role imagined for himself which is to say the self he means to invent The work is suffused with elements of both Fitzgerald's and Irwin's biographies and Irwin's immense erudition is on display throughout Irwin seamlessly ties together details from Fitzgerald's life with elements from his entire body of work and considers central themes connected to wealth class work love jazz acceptance family disillusionment and life as theatrical performance

**F. Scott Fitzgerald** Michael Glenday, 2011-12-28 From his first novel *This Side of Paradise* which brought him a blaze of youthful fame to his last unfinished novel *The Last Tycoon* F Scott Fitzgerald's appeal as one of America's most quintessential artists has continued to maintain its hold on twenty first century readers In this reader friendly study of Fitzgerald's major fiction Michael K Glenday Offers new readings of the author's canonical works including *The Great Gatsby* and *Tender Is the Night* Draws on the very latest research in his reassessment of the ideas and significance of Fitzgerald's major novels Explores the core themes of the novels as well as their considerable contribution to the spirit and complexity of modern day American culture Assuming no prior knowledge this book is ideal for
