Fables And Legends Of Ireland

Salem Public Library

Fables And Legends Of Ireland:

Fables and Legends of Ireland Maureen Donegan,1997-06-01 Attractive collection of traditional tales **Legends and Stories of Ireland** Samuel Lover,1837 **Legends and Stories of Ireland. Second series. (With illustrations by W. Harvey and by the Author.).** Samuel Lover,1834 *The Fireside Stories of Ireland* Patrick Kennedy,1870 **Catalogue of an extensive and valuable collection of books relating to Ireland formed by Stephen J. Richardson [i.e. Richardson] of New York City**,1913 *The Origin Legends of Early Medieval Britain and Ireland* Lindy Brady,2022-08-04 The inhabitants of early medieval Britain and Ireland shared the knowledge that the region held four peoples and the awareness that they must have originally come from elsewhere The Origin Legends of Early Medieval Britain and Ireland studies these peoples origin stories an important genre that has shaped national identity and collective history from the early medieval period to the present day These multilingual texts share many common features that repay their study as a genre but have previously been isolated as four disparate traditions and used to argue for the long roots of current nationalisms Yet they were not written or read in isolation during the medieval period Individual narratives were in constant development written and rewritten to respond to other texts This book argues that insular origin legends developed together to flesh out the history of the insular region as a whole **The Stars of Ballymenone, New Edition** Henry Glassie,2016-09-12 In the time of the Troubles when bombs blew through the night and soldiers prowled down the roads Henry Glassie came to the Irish borderland to learn how country people endure through history He settled into the farming community of Ballymenone beside Lough Erne in the County Fermanagh and listened to the old people For a decade he heard and recorded the stories and songs in which they outlined their culture recounted their history and pictured their world In their view their world was one of love defeat and uncertainty demanding the virtues of endurance faith bravery and wit Glassie s task in this book is to set the scene to sketch the backdrop and clear the stage so that Hugh Nolan and Michael Boyle Peter Flanagan Ellen Cutler and their neighbors can tell their own tale which explains their conditions and converts them into a tragedy of conflict and a comedy of the absurd It gathers the saints and warriors and celebrates the stars whose wit enabled endurance in days of violence and deprivation With patience and respect Glassie describes life in a time and a place exactly like no other and yet Ballymenone is like a thousand other places where people work on the land during the day and tell their own tales at night forgotten while the men of power fill the newspapers and history books by sending poor boys out to be killed The Stars of Ballymenone is an integrated analysis of the complete repertory of verbal art from a rural community where storytelling and singing of quality remained a part of daily life **Fairy Legends and Traditions of the South of Ireland: The elves in Ireland. The elves in Scotland. On the nature of the elves. The Mabinogion and fairy legends of Wales** Thomas Crofton Croker,1828 *The United States Catalog*,1904 *Ireland in Fiction* Stephen J. M. Brown,2022-01-17 In Ireland in Fiction Stephen J M Brown offers a profound exploration of how literary narratives have shaped and reflected the intricate

tapestry of Irish identity This meticulously researched work traverses a wide range of genres and periods from the mythic tales of ancient Ireland to contemporary fiction revealing the evolving nuances of cultural social and political landscapes Brown employs a critical lens deftly analyzing the interplay between narrative style and national identity showcasing how fiction serves both as a mirror and a mold for the Irish experience The author s eloquent prose invites readers to engage deeply with the texts making connections between the literary forms and their historical contexts Stephen J M Brown is a scholar whose passion for Irish literature is matched by an academic rigor that underpins his approach to the subject Having grown up amidst the rich oral traditions of Ireland and holding an academic position in literary studies Brown brings personal insights and scholarly credentials to his examination of the literary canon His willingness to reflect on how his own cultural heritage informs his interpretation showcases a nuanced understanding of the subject matter This captivating volume is essential reading for students scholars and enthusiasts of Irish literature alike Brown s insightful interpretations and comprehensive selections offer readers a unique journey through the soul of Ireland encouraging them to comprehend not only the literary heritage of the nation but also its broader cultural and historical implications Travels in Ireland Johann Georg Kohl,1844 **Bulletin** Salem Public Library,1895 Travels in Ireland Ð Part 1 Johann Georg Kohl,2016 This is the opening part of *Travels in Ireland* by J G Kohl first published in 1844 It gives a glimpse of life in the years after Catholic Emancipation and immediately before the Great Irish Famine Part One takes us from Dublin through Edgeworthstown The Shannon Limerick Edenvale and Kilrush We get a contemporary view of landlords both resident and absentee and how the latter contributed to the neglect and hardship of the rural Irish peasantry Developments on the Shannon are examined promising improvements for the West of Ireland and the desperate plight of the peasantry Kohl s interest in the people ballads and folklore of Ireland gives us a final glimpse of an aspect of life which had resisted colonial oppression only to be devastated by the great calamity of the Irish Famine which finally destroyed a vibrant peasant culture This book makes a considerable contribution to our understanding of both local and family histories and is most welcome in print form *Subject-index of the Books in the Author Catalogues for the Years 1869-1895* Public Library of New South Wales. Reference Dept,1903 **The Journal of American Folklore** ,1890 *Street Ballads in Nineteenth-Century Britain, Ireland, and North America* David Atkinson,Steve Roud,2016-04-01 In recent years the assumption that traditional songs originated from a primarily oral tradition has been challenged by research into street literature that is the cheap printed broadsides and chapbooks that poured from the presses of jobbing printers from the late sixteenth century until the beginning of the twentieth Not only are some traditional singers known to have learned songs from printed sources but most of the songs were composed by professional writers and reached the populace in printed form *Street Ballads in Nineteenth Century Britain Ireland and North America* engages with the long running debate over the origin of traditional songs by examining street literature s interaction with and influence on oral traditions *Lectures on the History of Ireland* Thomas

Egerton Hale, 1887 **Book-prices Current**, 1898 *Ireland, Slavery, Anti-Slavery and Empire* Fionnghuala Sweeney, Fionnuala Dillane, Maria Stuart, 2019-06-24 Although the significance of transatlantic currents of influence on slavery and abolition in the Americas has received substantial scholarly attention the focus has tended to be largely on the British transatlantic or on the effects of American racial politics on the emergence of Irish American political identity in the US The specifics of Ireland's role as a transnational hub of anti slavery literary and political activity and as deeply imbricated in debates around slavery and freedom are often overlooked This collection points to the particularity and significance of Ireland's place in nineteenth century exchanges around slavery and anti slavery Importantly it foregrounds the context of empire Ireland was both one of the home nations of the UK on many levels deeply complicit in British imperialism and a space of emergent anti colonial radicalism bourgeois nationalism and significant literary opportunity for Black abolitionist writers as a key mediator of the ways in which the conceptual and practical responses to slavery and anti slavery took shape in the Irish context Moving beyond the transatlantic model often used to position debates around slavery in the Americas it incorporates discussion around campaigns to abolish slavery within the empire opening up the possibility of wider comparative discussions of slavery and anti slavery around the Indian Ocean and the African continent It also emphasizes the plurality of positions in play across class political racial and national lines and the ways in which those positions shifted in response to changing social cultural and economic conditions This book was originally published as a special issue of *Slavery Abolition A Journal of Slave and Post Slave Studies* **Journal of the Royal Anthropological Institute of Great Britain and Ireland** Royal Anthropological Institute of Great Britain and Ireland, 1890
