The Fables of Mkhitar Gosh Mkhitar Gosh, 1987

The Heritage of Armenian Literature Agop Jack Hacikyan, 2000

The second volume of The Heritage of Armenian Literature continues the highly acclaimed and monumental project of presenting Armenia's literary treasures to an English speaking audience. Nowhere else can students and general readers easily find a comprehensive English language guide to these masterpieces complete with important background information and vivid accurate translations of key sample passages. Volume 2 takes readers through the medieval period up to the eighteenth century. As in the previous volume the editors here offer a wide and varied range of readings that encompasses the literary panorama of this ancient civilization. They situate each work as extensively as possible within its theological, historical and philosophical contexts while highlighting aspects that will be meaningful to readers in light of modern scholarship.

Armenian Folklore Bibliography Anne M. Avakian, 1994-01-01. This bibliography with annotations consists of almost 1380 citations derived from libraries in Berkeley, California, notably at the University of California. Most of the articles and books listed are in Armenian but items in English, French, German and Russian are also included. This book covers an area of study not heretofore presented in substantial length and will be of interest to folklorists throughout the world.

The Doctor of Mercy Michael Papazian, 2019-10-31. 2020 Catholic Press Association second place award in theology history of theology church fathers and mothers. In April 2015 Pope Francis named the Armenian poet and theologian St Gregory of Narek c. 945-1003 a Doctor of the Church. Though venerated for centuries by Catholic and Orthodox Armenians, Gregory is an obscure figure virtually unknown to the rest of the Church. Adding to the extraordinary nature of the pope's declaration, Gregory has the distinction of being the only Catholic Doctor who lived his entire life outside the visible communion of the Catholic Church. The Doctor of Mercy aims to provide an accessible introduction to Gregory's literary works, theology and spirituality as well as to make the case for the contemporary relevance of his writings to the problems that face the Church and the world today.

The Babylonian Disputation Poems Enrique Jiménez, 2017-02-06. In The Babylonian Disputation Poems, Enrique Jiménez studies a group of ancient Babylonian poems that feature discussions between animals and trees. Using intertextual parallels and comparison with similar works in other literatures, he espouses a new classification of the Babylonian disputation poems as parodies. After examining neighboring traditions of literary disputation, he argues that the Babylonian poems influenced them and that some may have been translated from Akkadian to Aramaic and

Syriac to Arabic In addition The Babylonian Disputation Poems provides editions of several previously unpublished Babylonian disputations such as Palm and Vine and the Series of the Spider It also offers the first edition of the latest known Babylonian fable The Story of the Poor Forlorn Wren The present book is an exemplary model for editing and commenting upon ancient texts and almost every approach has been taken into account Markham J Geller Journal for the Study of the Old Testament 43 5 2019 Oriental World ,1919 Folklore Joseph Jacobs,Alfred Trübner Nutt,Arthur Robinson Wright,William Crooke,1899 Most vols for 1890 contain list of members of the Folk lore Society The New Armenia ,1918
