The Changing Face of God Frederick W. Schmidt, 2000-06-15 In 1999 five scholars presented lectures at Washington National Cathedral about our images of God and what difference they make This book is ideal for parish study groups and individuals to consider and discuss the viewpoints of Marcus Borg Karen Armstrong Jack Miles James Cone and Andrew Sung Park Does the face of God change Years ago I would have said No Countless hymns passage of Scripture and confessions of faith assert or imply the changelessness of God To take issue with traditions that are centuries if not millennia old seemed to be daunting and misguided But when the great professions of confidence in God harden into philosophical propositions one is bound to ask What difference would it make to say that God has only one face Even if true in some sense the fact of the matter is that features each of us would count as necessary and changeless would be a matter of considerable debate From the Introduction

The Face of God Roger Scruton, 2012-03-08 Roger Scruton explores the place of God in a disenchanted world His argument is a response to the atheist culture that is now growing around us and also a defence of human uniqueness He rebuts the claim that there is no meaning or purpose in the natural world and argues that the sacred and the transcendental are real presences through which human beings come to know themselves and to find both their freedom and their redemption In the human face we find a paradigm of meaning And from this experience Scruton argues we both construct the face of the world and address the face of God We find in the face both the proof of our freedom and the mark of self consciousness One of the motivations of

the atheist culture is to escape from the eye of judgement You escape from the eye of judgement by blotting out the face and this Scruton argues is the most disturbing aspect of the times in which we live In his wide ranging argument Scruton explains the growing sense of destruction that we feel as the habits of pleasure seeking and consumerism deface the world His book defends a consecrated world against the habit of desecration and offers a vision of the religious way of life in a time of trial

In the Face of God Michael Horton,1996-09-23 Have modern believers grown too comfortable with God In response to the unbiblical mystical spirituality of our day Michael Horton calls for a return to the teaching of the Apostle Paul and the early church The result is a compelling picture of true spiritual intimacy with God *God with a Human Face* John C. Purdy,1993-01-01 To see God's face is something more than theoretical mystical or conceptual and to see it we must look at the face of Jesus In this innovative book Purdy focuses on the face of Jesus and explores 12 gospel stories from the birth of Jesus through His crucifixion and resurrection to show that by looking at Jesus God's intentions toward us can be discerned
