Face And Hand Reading:

Face and Hand Reading Theresa Cheung, 2012-01-05 I've always hated my nose. The way it looks and the fact that it's so big. When I was little I'd do drawings of smiling faces with no noses. My parents and teachers would always remind me to draw the nose but I never did. The way I see my nose has changed since I started face reading. If only I'd known sooner that having a long nose is pretty cool. Sarah 12. You can learn the most amazing things by simply using your face and hands and a little help from this book.
