poetry and a couple of plays So while I haven't written everything I've written many things The fact is that you can't read this book and go forth and write anything if you are not familiar with the format or structure of the document that you want to write be it non-fiction or fiction For instance if you want to write a report you do so using the methods in this book However you have to know how to structure reports The same is applicable to email social media content articles promotional content case studies reports white papers PowerPoint presentations speeches website content short stories or novels So some of you reading this book might still have some learning to do However I suspect most of you know the structure of the documents you want to produce and you will be able to immediately apply the methods outlined in the book to writing any document that you need to write
