**EAST RIDGE HEALTH**

Trusted health provider since 1951

Understanding the types of patients can help you determine the best visuals to use in your patient education materials. For more information visit us at [www.eastridgehealth.com](http://www.eastridgehealth.com)

#1

**Passive-dependent**

**Patients who are trusting individuals.**

They depend on the authoritative figure—in this case, doctors and nurses—to make the main decisions in their healthcare plan.

#2

**Open-minded exploring**

**Patients who seek a personal connection with their doctors.**

They are usually open to exploring most options for their medical condition, including alternative medicine and treatments. Also, emotional support is important for this type of patient.

#3

**Independent-skeptical**

**Patients who always question doctors.**

They don't accept every recommendation. They tend to seek second or even third opinions and chase after rational statements that are consistent with their knowledge.

#4

**Intellectual-researcher**

**Patients who always perform their literature searches.**

They desire scientific explanations for every piece of information. They check their doctors' comments against scientific studies and often prefer doctors who work in prestigious healthcare institutions.

#5

**Expedient-flexible**

**Patients who tend to choose doctors based on availability.**

They don't care much about checking every data or prestige. They are usually cost-conscious too, which makes them flexible in their choices for physicians.
