Education And Development Strategies And Decisions In Central America:

Education and Development Sylvain Lourié, International Institute for Educational Planning, 1989 This book examines the link between teachers and educational administrators and planners It considers how the teacher's concerns with the need and hopes of individual children can be reconciled with the planners concerns for the needs and hopes of the wider society Though based on events in Central America notably the recent reforms in Costa Rica and Guatemala the analysis is highly relevant to events in all countries with developing education systems

Education and Development: Strategies and Decisions in Central America, 1985 Discusses the social political and cultural forces which affect educational policy

Africa, Asia, and South America Since 1800 A. J. H. Latham, 1995 A reference for graduate and undergraduate students presenting the bibliographic details and sometimes describing and evaluating the content of over 5 000 books in English most published since 1945 and many quite recently but also some earlier works of enduring importance A section of works on all three continents is followed by sections on each which first consider the continent as a whole then each country usually by chronological periods and topics such as economics politics and society Indexed only by author and editor but the table of contents is detailed enough to provide adequate access Distributed in the US by St Martin's Press Annotation

copyright Book News Inc Portland Or Educational Planning Jacques Hallak, Françoise Caillods, 2018-10-24 It was in a context of unprecedented economic growth that educational planning developed in the 1960s At the time educational planners were entrusted with orchestrating the tremendous expansion of schooling with the aim of both universalizing education and providing national economies with the qualified manpower needed Such rigid mandatory planning is not suited to today's world but other forms of planning such as policy analysis policy dialog labor market analysis and strategic management are still valid The following is a complete list of reprinted essays collected for this book

Education and Social Change in Latin America Carlos Alberto Torres, 1995 Education and Social Change in Latin America is a valuable addition to the area studies literature in Comparative Education Torres knits contributions from recognized North and South American experts to produce a comprehensive tapestry of analyses of both formal and non formal education in Latin America The book constitutes an excellent example of the application of a broad social science perspective to the study of education viewed as a constituent sub system The foci of non formal education Part I political socialisation Part II and the impact of social change upon education in Brazil Part III facilitates a broad range of comparisons A balance between the often contradictory perspectives economic anthropological sociological and political provides the reader with a comprehensive snapshot of trends and developments in Latin American education during the crucial 1980s This inter disciplinary examination of aspects of Latin American education has a broad range of applications ranging from introductory courses to senior seminars to a valuable research tool What would otherwise be an exceptional book is rendered even more valuable by Torres conversation with Paulo Freire While Torres is recognized as one of the foremost authorities on

Freire this chapter explores Freire as a human being an educator and introduces some of the contradictions faced by a world renowned adult educator who assumed the mantle of an administrator in the formal education system in his native Brazil between 1989 and 1991
