Successful School Restructuring under NCLB: School Vignettes

Objective

Present vignettes of five schools that have formally restructured under NCLB and sufficiently raised academic outcomes to demonstrate AYP.

Guiding Questions

- What approach did the schools use to restructure?
- What if any role did the school leaders play in developing and implementing restructuring efforts?
- What if any role did external entities play in the restructuring effort (e.g., district, state department of education, or external consultants)?
- What if any additional resources did the schools obtain in order to restructure?
- What do internal and external actors credit for the successful restructuring?
- What if any barriers did the school have to overcome in order to successfully restructure?

School Selection

- Difficult to identify schools that have exited, no central data base
- Identified schools in AL, CA, IL, GA, MD, MT, NY, and TN

Next Steps

- Conduct interviews with personnel from central office and individual schools
