Hunter Lovins**

Economic Renewal Guide A Collaborative Proceeb For Sustainable Community Development:

Economic Renewal Guide Michael J. Kinsley,1997 *Asset Building & Community Development* Gary Paul Green,Anna Haines,2015-04-01 A comprehensive approach focused on sustainable change Asset Building and Community Development Fourth Edition examines the promise and limits of community development by showing students and practitioners how asset based developments can improve the sustainability and quality of life Authors Gary Paul Green and Anna Haines provide an engaging thought provoking and comprehensive approach to asset building by focusing on the role of different forms of community capital in the development process Updated throughout this text explores how communities are building on their key assets physical human social financial environmental political and cultural capital to generate positive change With a focus on community outcomes the authors illustrate how development controlled by community based organizations provides a better match between assets and the needs of the community [The Business Guide to Sustainability](#) Marsha Willard,Darcy Hitchcock,2009-09-02 First edition Winner of Choice Magazine Outstanding Academic Titles for 2007 Sustainability promises both reduced environmental impacts and real cash savings for any organization be it a business non profit NGO or government department This easy to use manual has been written by top business consultants specifically to help managers business owners organizational leaders and aspiring environmental managers sustainability coordinators to improve their organization s environmental social and economic performance The authors demystify sustainability untangle the plethora of sustainability frameworks tools and practices and make it easy for the average person in any organization to move towards sustainability Organized by sector manufacturing services and office operations and government and common organizational functions senior management facilities human resources purchasing environmental affairs and compliance marketing and public relations and finance and accounting the authors show how organizations can incorporate sustainability into their everyday work through the application of useful tools and self assessments This fully updated edition includes a new chapter on information and communication technology ICT The authors have also added many new facts stories practices and resources throughout the book to keep up with this rapidly emerging field and have updated their widely used SCORE sustainability assessment **Asset Building and Community Development** Gary Paul Green,Anna Haines,2007-08-14 Can residents work together to improve the quality of life in their community Asset Building and Community Development examines the promise and limits of community development and explores how communities are building on their key assets such as physical human social financial environmental political and cultural capital [The Small-Mart Revolution \(Volume 2 of 2\) \(EasyRead Super Large 18pt Edition\)](#) , [The Small-Mart Revolution](#) Michael H Shuman,2007-08-20 Defenders of massive multinational chains like Wal Mart and Fortune 500 big business argue that like it or not there is no alternative Their huge scale and international reach they claim make them more efficient and profitable better able to deliver value and an uncontested boon for the job market According to the big boys locally owned small

businesses are simply quaint remnants of the past unable to compete in the global economy But in em The Small Mart Revolution Michael Shuman shows that the benefits these mega stores and huge corporations supposedly deliver to communities are illusory Crunch the numbers and you ll find that locally owned businesses turn out to be much more reliable generators of good jobs economic growth tax dollars community wealth charitable contributions social stability and political participation Unlike their global competitors they do this without massive tax breaks and subsidies that often put local economies in a permanent hole Plus contrary to popular belief local businesses are competitive with the multinationals and gaining ground every day Shuman highlights numerous trends that are making the old bigger is better economies of scale argument obsolete and he describes a variety of innovative strategies these businesses are using to successfully compete with their over sized competitors He also shows how consumers investors and policymakers can support their own communities by going local The Small Mart Revolution offers a robust alternative to go go globalization one that nurtures the creative capacities of local businesses and enables communities everywhere to thrive Toward a Sustainable America Martin A. Spitzer,1999-08 Each chapter of this report corresponds to one of the substantive policy areas the President s Council on Sustainable Development has considered The introduction establishes the context and illuminates some of the cross cutting lessons findings and recommendations that inform the council s work Chapters climate change environmental management metropolitan and rural strategies for sustainable communities and international leadership Appendixes environmental management examples of sustainable community initiatives international capital flows and council member profiles Further reading Sustainable Community Economic Development Siew Lian Tan,2000 **Local Food and Community Development** Gary Paul Green,Rhonda Phillips,2014-10-20 Food has become an essential component in community development practice Whether in reference to building a local or regional food system or addressing food insecurity food has become a focus in community development approaches in many localities Farmers markets community gardens farm to school programs and other food centered initiatives have been used to foster community development processes across a spectrum of desired outcomes The surging interest in food for fostering community development draws attention to numerous applications ranging from grassroots efforts to formal programs sponsored by the public or nonprofit sectors These efforts are often in conjunction with local private businesses helping create micro businesses and supporting the small farm movement Some regions are even considering economic development strategies of food clusters to promote speciality food businesses and supporting programs This volume explores the relationships between food and community and the various approaches for development through a selection of chapters illustrating a wide range of applications This book is a compilation of articles published in the journal Community Development **The Business Guide to Sustainability** Darcy Hitchcock,Marsha Willard,2012-05-04 The Business Guide to Sustainability is a practical introduction to implementing a comprehensive sustainability strategy in any organization Written by top business consultants this useful book can be

applied in both large and small enterprises This edition shifts away from a discussion of CSR to focus more squarely on sustainability It explores strategies for implementing sustainability in each of the functional areas of the corporation accounting HR operations etc while providing examples from a range of sectors including manufacturing services and government The book also includes the authors S CORE assessment tool to help organizations determine whether they are on the right track identify new opportunities and assign accountability and responsibility Brimming with interesting stories and examples and covering new developments such as the emergence of BRICs and the effects of the Great Recession this book will interest managers business owners and students for whom sustainability is a priority The publisher Community Geography Kim English, Laura S. Feaster, 2003 Provides real case studies hands on exercises and practical tips for using geographical information systems to learn about and make a difference in one's own community

Reinventing Fire Amory Lovins, 2011-10-15 Oil and coal have built our civilization created our wealth and enriched the lives of billions Yet their rising costs to our security economy health and environment now outweigh their benefits Moreover that long awaited energy tipping point where alternatives work better than oil and coal and compete purely on cost is no longer decades in the future It is here and now And it is the fulcrum of economic transformation A global clean energy race has emerged with astounding speed The ability to operate without fossil fuels will define winners and losers in business and among nations In Reinventing Fire Amory Lovins and Rocky Mountain Institute offer a new vision to revitalize business models end run Washington gridlock and win the clean energy race not forced by public policy but led by business for enduring profit This groundbreaking roadmap reveals market based solutions across the transportation building industry and electricity sectors It highlights pathways and competitive strategies for a 158% bigger 2050 U S economy that needs no oil no coal no nuclear energy one third less natural gas and no new inventions This transition would cost 5 trillion less than business as usual without counting fossil fuels huge hidden costs It requires no new federal taxes subsidies mandates or laws The policy innovations needed to unlock and speed it need no Act of Congress Whether you care most about profits and jobs national security health or environmental stewardship Reinventing Fire charts a pragmatic course that makes sense and makes money With clarity and mastery Lovins and RMI point out the astounding opportunities for enterprises to create the new energy era Drawing praise from President Bill Clinton former National Security Advisor Robert McFarlane and a host of others Reinventing Fire has piqued the interest of world leaders business leaders and political strategists

Towards a Sustainable America President's Council on Sustainable Development, 1999 *PROCEEDING THE 8 RURAL RESEARCH AND PLANNING GROUP INTERNATIONAL CONFERENCE* Suratman, Muhammad Baiquni, Surani Hasanati, 2018-10-18 Rural area with its products community and culture is important in globalization era Its products are the main natural resources for human life Besides the uniqueness and the local wisdom of rural area has become a social resource in modern life Rural has a key role to support sustainable development develop human resource and improve the urban and regional area so that it is

essential to learn more the innovations of the rural development The 8th Rural Research and Planning Group RRPg International Conference is an international platform for specialists experts and practitioners of rural development and planning group to discuss share and find new ideas and experiences and to find global partners for future collaboration Moreover participants contribute to the realization of the Sustainable Development Goals SDGs as innovation for rural development The theme of the conference is Innovations of the Rural Development for Implementing Sustainable Development and it has 12 sub themes such as Sustainable Rural Development Rural Governance and Policy Sustainable Agriculture Migration and Displacement Rural Natural Resource Management and Spatial Information Rural Tourism and Regional Development Rural Planning and Infrastructure Smart Village Smart City Innovation and Development Disaster Community Resilience and Community Empowerment Rural Land Management Creative Kampongs for Economic Development This proceeding consists is a collection of selected papers published on the 8th RRPg International Conference held on May 17 18 2017

Research in Corporate Sustainability Sanjay Sharma, Mark Starik, 2002-01-01 This book presents studies from a wide range of disciplinary perspectives human resources management strategy operations management accounting international business marketing and development It represents the latest state of knowledge in organizations and the natural environment and provides interesting perspectives for academics environmental consultants as well as environmental managers from business the public sector NGOs international development institutions and government

Biodiversity and Ecological Economics Luca Tacconi, 2017-09-25 It is vital that we adopt interdisciplinary approaches such as ecological economics to gain an understanding of the values that determine human interaction with and use and abuse of the environment This book is a model of applied ecological economics It presents an accessible introduction to the subject while at the same time broadening its theoretical basis by introducing a post positivist participatory method The theoretical framework is applied to case studies in biodiversity conservation drawn from around the world and a range of different ecosystems The book is a suitable textbook for students of ecological economics and an ideal introduction for scientists and environmentalists needing to understand the role of economics in ecology and conservation

Natural Capitalism Paul Hawken, Amory B. Lovins, L. Hunter Lovins, 2013-09-13 On its first publication 10 years ago Natural Capitalism rocked the world of business with its innovative new approach an approach that fused ecological integrity with business acumen using the radical concept of natural capitalism This 10th anniversary edition features a new Introduction by Amory B Lovins and Paul Hawken which updates the story to include the successes of the last decade It clearly sets out the path that we must now take to ensure the future prosperity of our civilisation and our planet

Captives of the Cold War Economy John J. Accordino, 2000-07-30 The end of the Cold War in 1989 gave rise to hopes for a new more peaceful international system and for the redirection of military expenditures over one half of annual U S federal discretionary spending toward education and health care renewing the nation s infrastructure environmental mitigation and alternative

energy sources At the beginning of the 21st Century U S military spending remains stuck at 85% of the Cold War average Why As Accordino explains at the federal level the Iron Triangle comprised of the Pentagon defense contractors and a conservative Congress maintained defense spending at Cold War levels encouraging contractors to stay focused on defense When some procurement cutbacks and base closures occurred growth interests recruited lower wage branch plants sports and entertainment facilities rather than supporting the hard work of defense conversion that creates higher paying jobs Nevertheless some defense contractors and community interests did embrace conversion showing remarkable potential Of particular interest to scholars and researchers involved with urban and regional planning public administration and local politics and regional economic development **The Post-corporate World** David C. Korten,1999 A noted social critic and the author of *When Corporations Rule the World* offers a practical human centered alternative to global capitalism run amok

Environmental and Natural Resources Economics Steven Hackett,Sahan T. M. Dissanayake,2014-12-18 Extensively revised and updated this popular text presents an accessible yet rigorous treatment of environmental and natural resources economics including climate change and the economics of sustainability Completely revised and updated the fourth edition now includes new figures and tables definitions to assist the reader and updated policy information New advances in the science economics and policy approaches to climate change have been integrated into essentially all new chapters on incentive regulation and global climate change This innovative textbook integrates economics with science and public policy in a balanced and accessible way that will be appreciated by students from disciplines ranging from economics and natural resources management to environmental studies and energy policy
