Indians contested British claims that the backwardness of the Indian people offered a democratic justification for imperial domination.

**J.S. Mill's Encounter with India** Martin Moir, Douglas M. Peers, Professor of History and Dean of the Faculty of Arts, Douglas M. Peers, Lynn Zastoupil, 1999-01-01 John Stuart Mill worked for the East India Company in London for thirty five years, 1823-58, drafting many hundreds of dispatches for the guidance of British administrators in India. Historians have long been aware of Mill's involvement in British Indian government. This comprehensive effort brings together different strands of scholarship on Mill to determine the character of his role based on analyses of his draft despatches and comparisons of their practical and theoretical concerns with the broad themes of Mill's major writings on political philosophy and economics. The essays in this collection explore specific aspects of Mill's approach to Indian issues including religion, law, education and security and also place him within the broader currents of utilitarianism. The contributors present different perspectives on the ideology in Mill's pragmatic work for the Company and his personal philosophy.

**The Cambridge History of Science: Volume 7, The Modern Social Sciences** David C. Lindberg, Theodore M. Porter, Roy Porter, Ronald L. Numbers, 2003-08-04 This volume provides a history of the concepts, practices, institutions and ideologies of social sciences including behavioural and economic sciences since the eighteenth century. It offers original synthetic accounts of the historical development of social knowledge including its philosophical assumptions, its social and intellectual organization and its relations to science, medicine, politics, bureaucracy, philosophy, religion and the professions. Its forty two chapters include inquiries into the genres and traditions that formed social science, the careers of the main social disciplines, psychology, economics, sociology, anthropology, political science, geography, history and statistics and international essays on social science in Eastern Europe, Asia, Africa and Latin America. It also includes essays that examine the involvement of the social sciences in government, business, education, culture and social policy. This is a broad cultural history of social science which analyzes from a variety of perspectives its participation in the making of the modern world.
