A Contemporary Introduction

William A.

MCLEACHERN

THE WALL STREET JOURNAL. EDITION

The central graphic is a complex, layered composition. At the top left is a globe showing continents in green and oceans in blue. Below the globe are several interlocking metallic gears of different sizes, rendered in shades of grey and black. A large, dark, jagged shape, resembling a mountain range or a stylized industrial structure, is positioned in the center. The background is a mix of warm colors like orange and yellow, and cooler colors like blue and green. A red triangular shape is visible on the right side. The overall style is modern and abstract, suggesting themes of global economics and industrial processes.
