But when a fantastic opportunity comes her way, Emily is forced to make a decision that will alter the course of her life forever.

Poisoned Wells Nicholas Shaxson, 2025-06-25. It is also generating vast corruption that reaches deep into American and European economies. In *Poisoned Wells*, Nicholas Shaxson exposes the root causes of this paradox of poverty from plenty and explores the mechanisms by which oil causes grave instabilities and corruption around the globe. Shaxson is the only journalist who has had access to the key players in African oil and is willing to make the connections between the problems of the developing world and the involvement of leading global corporations and governments.
