Effortless Expression Poetry Prose:

Effortless Expression Marie Rosas, 2005-08 Life is given to be taken care of and so Our lives are our fault We could have changed it if it didn't suit us We didn't know how to change it All the happenings in all of our years should have taught us more We didn't pay attention All the teachers around us family friends strangers enemies including ourselves All the good all the bad all the heartaches We didn't pay attention We've forgotten some of the good because we didn't change the bad We are older a bit wiser looking back we stumble in thought The bad gets worse less talk about the good gets lost God got us through The bad choices we made went against the precious guidance of our Lord Human nature nurtures stubbornness It makes us feel good Really as we kick ourselves down the lane of age we realize we had the choice to change things and didn't Because we were immature and stubborn

The Cure of Poetry in an Age of Prose Mary Kinzie, 1993-07-15 The role of the poet Mary Kinzie writes is to engage the most profound subjects with the utmost in expressive clarity The role of the critic is to follow the poet word for word into the arena where the creative struggle occurs How this mutual purpose is served ideally and practically is the subject of this bracingly polemical collection of essays A distinguished poet and critic Kinzie assesses poetry's situation during the past twenty-five years Ours she contends is literally a prosaic age not only in the popularity of prose genres but in the resultant compromises with truth and elegance in literature In essays on the rhapsodic fallacy confessionalism and the romance of perceptual response Kinzie diagnoses some of the trends that diminish the poet's flexibility Conversely she also considers individual poets Randall Jarrell Elizabeth Bishop Howard Nemerov Seamus Heaney and John Ashbery who have found ingenious ways of averting the risks of prosaism and preserving the special character of poetry Focusing on poet Louise Bogan and novelist J. M. Coetzee Kinzie identifies a crucial and curative overlap between the practices of great prose writing and great poetry In conclusion she suggests a new approach for teaching writers of poetry and fiction Forcefully argued these essays will be widely read and debated among critics and poets alike
