But then this book is going to tell you all about the tips and techniques with which you can eat healthy with just some egg and cheese dishes added to your healthy diet Also a friend of mine was browsing through some of my books and she just told me all these books are very interesting but I am often based in places where I do not get these exotic herbs and spices easily Also sometimes my budget does not run into buying plenty of fruit and vegetables especially in these inaccessible places At that time my larder is often restricted to just eggs and cheese So I started to think Yes what she said was sensible and logical because most of the time I find myself eating egg and cheese one because I like it and two because those are the items which are in the larder at the end of the month after a whole month of hectic spending and paying off the bills This book is for all those people who want to know about healthy eating especially using eggs and cheese and their combinations These recipes are time tested and time honored and have been used since ancient times all over the world because hen fruit and cheese have been part and parcel of human life and the social fabric all over the world

Say It with Toast Steve Ngapo, Matt McCracken, Ian Nash, Tammy Duckett, 2008-10-01 The eggs bread noodles and cheese cookbook has 32 recipes using only these four ingredients I started writing it two and a half years ago when I was telling a friend about being a poor student and having to live on several dollars a day I was telling her that you could make a huge number of different meals using only eggs bread two minute noodles and cheese She didn't believe me so I set myself the task of writing 32 recipes This took a lot longer than I expected it to Steve Ngapo
