Rethinking Security Governance Christopher Daase, Cornelius Friesendorf, 2010-05-04 This book explores the unintended consequences of security governance actions and explores how their effects can be limited Security governance describes new modes of security policy that differ from traditional approaches to national and international security While traditional security policy used to be the exclusive domain of states and aimed at military defense security governance is performed by multiple actors and is intended to create a global environment of security for states social groups and individuals By pooling the strength and expertise of states international organizations and private actors security governance is seen to provide more effective and efficient means to cope with today's security risks Generally security governance is assumed to be a good thing and the most appropriate way of coping with contemporary security problems This assumption has led scholars to neglect an important phenomenon unintended consequences While unintended consequences do not need to be negative often they are The CIA term blowback for example refers to the phenomenon that a long nurtured group may turn against its sponsor The rise of al Qaeda which had benefited from US Cold War policies is only one example Raising awareness about unwanted and even paradoxical policy outcomes and suggesting ways of avoiding damage or limiting their scale this book will be of much interest to students of security governance risk management international security and IR Christopher Daase is Professor at the Goethe University Frankfurt and head of the research department International Organizations and International Law at the Peace Research Institute Frankfurt PRIF HSKF Cornelius Friesendorf is lecturer at the Goethe University Frankfurt and research fellow at the Peace Research Institute Frankfurt PRIF HSKF

A Global History of Modern Historiography Georg Iggers, Q. Edward Wang, Supriya Mukherjee, 2016-09-01 The first book on historiography to adopt a global and comparative perspective on the topic A Global History of Modern Historiography looks not just at developments in the West but also at the other great

historiographical traditions in Asia the Middle East and elsewhere around the world over the course of the past two and a half centuries This second edition contains fully updated sections on Latin American and African historiography discussion of the development of global history environmental history and feminist and gender history in recent years and new coverage of Russian historical practices Beginning in the mid eighteenth century the authors analyse historical currents in a changing political social and cultural context examining both the adaptation and modification of the Western influence on historiography and how societies outside Europe and America found their own ways in the face of modernization and globalization Supported by online resources including a selection of excerpts from key historiographical texts this book offers an up to date account of the status of historical writing in the global era and is essential reading for all students of modern historiography

A Global History of Modern Historiography Georg G Iggers,Q. Edward Wang,Supriya Mukherjee,2013-09-13 So far histories of historiography have concentrated almost exclusively on the West This is the first book to offer a history of modern historiography from a global perspective Tracing the transformation of historical writings over the past two and half centuries the book portrays the transformation of historical writings under the effect of professionalization which served as a model not only for Western but also for much of non Western historical studies At the same time it critically examines the reactions in post modern and post colonial thought to established conceptions of scientific historiography A main theme of the book is how historians in the non Western world not only adopted or adapted Western ideas but also explored different approaches rooted in their own cultures *The World & I* ,1986
