particularly the political and social history of ancient Egypt and Mesopotamia as well as students of archaeology and biblical studies who are working on the region *The Late Cantos of Ezra Pound* Michael Kindellan, 2017-10-19 Drawing extensively on archival research *The Late Cantos of Ezra Pound* critically explores the textual history of Pound's late verse namely *Section Rock* 1955 and *Thrones* 1959 Examining unpublished letters draft manuscripts and other prepublication material this book addresses the composition revision and dissemination of these difficult texts in order to shed new light on their significance to Pound's wider project his methods and techniques and the structures of authority literary and political that govern the meaning of his poetry Illustrated by reproductions of archival documents *The Late Cantos of Ezra Pound* is an innovative new study of one of the most important poets of the 20th century **His Story** Jeffrey L. Walling, 2017-11-14

There is an ongoing battle in regard to the authenticity of God's Word raging in our homes and communities not between science and the Bible but rather between humanistic atheistic theology and Christianity This publication seeks to cover the gambit of historical and scientific evidence from A to Z that could be used as a textbook for Christian educators Our churches are not teaching this in their Sunday schools Christian schools and homeschoolers are not getting this on chalkboards Parents don't have the resources or tools to prepare and protect their teenagers heading into secular high schools and colleges from the onslaught of anti-Christ teachings The scripture says in Hosea 4:6 My people are destroyed for lack of knowledge because thou hast rejected knowledge I will also reject thee that thou shalt be no priest to me seeing thou hast forgotten the law of thy God I will also forget thy children As an added benefit students going into high school reading this book who have not decided what field of study they are interested in will get an opportunity to be exposed to several areas of interest Fields of study that include geology literary analysis genomics anthropology archaeology paleontology zoology meteorology genealogy astronomy earth sciences evolution and biblical studies are all interrogated to a significant depth

New Approaches to Ezra Pound Eva Hesse, 2024-03-29 Great advances are currently being made in the understanding of Pound's lifework Many of the essays in this book the majority are published here for the first time disclose hitherto unsuspected aspects of the poet's beliefs while others are studies in depth of areas of his work which although frequently discussed have never before been properly examined Seldom in fact have so many pioneering studies been assembled between the covers of a single volume The various contributors are eminently qualified to treat the specific ideas and interests of Pound's about which they write and the book as a co-ordinated whole comprehensively covers his and our artistic culture Eminent scholars and critics from five different countries have come together in this attempt to unscrew the inscrutable Richard Ellmann Leslie Fiedler Forrest Read N Christoph de Nagy Walter Baumann Guy Davenport J P Sullivan John Espey Donal Davie George Dekker Boris de Rachewiltz Albert Cook Hugh Kenner Christine Broke Rose Eva Hesse well known here and in Germany as a critic and translator establishes the interrelationships between the various fields of study and examines some of Pound's key concepts from the aspect of the history of ideas *New Approaches to Ezra Pound* should serve

as a valuable source book for all students of literature and may above all be expected to act as a catalyst for future studies This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969

Sekret Machines: Gods Tom DeLonge, Peter Levenda, 2017-03-07 An exceptional examination from award winning author and producer Tom DeLonge with renowned research author Peter Levenda Sekret Machines GODS will take you on an eye opening journey that transcends speculation and is based on unprecedented access to officials at the highest levels of government military and industrial agencies who have provided insights and assistance never before experienced by any researchers in this controversial field GODS takes us beyond speculation to certain knowledge of what exactly lies at the heart of the most important Phenomenon ever to confront human understanding This first volume introduces the reader to some of the critical issues that are foundational to an intelligent and enlightened grasp of the revelations that will follow in the next two volumes There is another Force in the universe of our Reality another context for comprehending what has been going on for millennia and especially in the last seventy years Sekret Machines is the result of input from scientists engineers intelligence officers and military officials a group we call the Advisors and transcends the speculation of journalists historians and others whose conclusions are often either misinformed or only tease around the edges of the Sekret Machines The reader will not discover wild theories or unfounded claims but instead will confront a solid if often unsettling reality one that demands the collaboration of all of us in every field of human endeavor if we are to understand it and manage its effects If nothing else readers will come to the conclusion that the Phenomenon is not what they think it is It is in fact much more serious and potentially much more threatening than they can imagine Sekret Machines GODS is volume one of the companion investigation series to the bestselling thriller Sekret Machines Chasing Shadows by DeLonge and NYTimes bestselling author AJ Hartley The whole is truly greater than the sum of its parts Read together the thriller series and the investigation series show what cannot be revealed with one approach alone

The Sumerians Paul Collins, 2021-03-22 The Sumerians are widely believed to have created the world s earliest civilization on the fertile floodplains of southern Iraq from about 3500 to 2000 BCE They have been credited with the invention of nothing less than cities writing and the wheel and therefore hold an ancient mirror to our own urban literate world But is this picture correct Paul Collins reveals how the idea of a Sumerian people was assembled from the archaeological and textual evidence uncovered in Iraq and Syria over the last one hundred fifty years Reconstructed through the biases of those who unearthed them the Sumerians were never simply lost and found but reinvented a number of times both in antiquity and in the more recent past

Ezra Pound's Washington Cantos and the Struggle for Light Alec Marsh, 2021-05-06 The instalments of Ezra Pound s life project The Cantos composed during his incarceration in Washington after the Second World War were to have

served as a Paradiso for his epic Beautiful and tormented enigmatic and irascible by turns they express the poet's struggle to reconcile his striving for justice with his extreme Right politics In heavily coded language Pound was writing activist political poetry Through an in depth reading of the Washington Cantos this book reveals the ways in which Pound integrated into his verse themes and ideas that remain central to American far right ideology to this day States Rights White supremacy and racial segregation the usurpation of the Constitution by the Supreme Court and history as racial struggle Pound's struggle was also personal These poems also celebrate his passion for his muse and lover Sheri Martinelli as he tries to teach her his politics and in the final poems mount his legal defence against the unresolved treason charges hanging over his head Reading the poetry alongside correspondence and unpublished archival writings Ezra Pound's Washington Cantos and the Struggle for Light is an important new work on a poet who stands at the heart of 20th century Modernism Building on his previous book John Kasper and Ezra Pound Saving the Republic Bloomsbury 2015 Alec Marsh explores the way the political ideas revealed in Pound's correspondence manifested themselves in his later poetry
