Eighteen Wheels North to Alaska Cliff Bishop, 2009-10-01 In spite of the obstacles the Alaska truckers were presented with they never weakened in their determination to get the job done These pioneer drivers never conquered or tamed Alaska's roads and weather but they learned to operate on the back trails and paths always making their way to the trip's end In spite of all the challenges they never quit The following from Teddy Roosevelt is an appropriate salute to Alaskan truckers It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs and comes up short again and again because there is no effort without error or shortcoming but who knows the great enthusiasms the great devotions who spends himself for a worthy cause who at the best knows in the end the triumph of high achievement and who at the worst if he fails at least he fails while daring greatly so that high place shall never be with those cold and timid souls who knew neither victory nor defeat **Eighteen Wheels North to Alaska** A History of Trucking in Alaska is the story of Alaskan drivers who guided coaxed pushed pulled plowed and somehow made it to the end of the road and beyond over high mountain passes whiteout conditions seventy below zero temperature through mud muck and tundra terrain even onto the Arctic Ocean ice beyond the shore **Miley Cyrus** Kimberly Dillon

Justice for Bonnie Karen Foster, I.J. Schecter, 2019-12-03 The shocking true crime story of an Alaskan college student s murder and her mother s relentless crusade for the truth When police told Karen Foster that her eighteen year old daughter Bonnie Craig had died in a hiking accident she knew the pieces of the investigation just didn t add up Bonnie would have never ditched her classes at the University of Alaska to go hiking And she didn t drive so how would she have reached McHugh Creek miles outside of Anchorage in the first place Armed with little more than her own conviction Karen set out to find the truth behind her daughter s death After a long series of false leads and dead ends it seemed the case would forever go unsolved Then after twelve years of public campaigning private despair and increasingly tense dealings with the detectives working the case Karen received an e mail that would change everything the system at long last had produced a match for the unknown DNA in the case from a man in a jail all the way across the country Here is the chilling tale of a mother s unflagging fight to track down the monster who stole her daughter s life and the battle to

Wolfe,James E. Akenson,2015-01-13 The swelling interest in popular music studies has far outpaced the outlets for publication With the Country Music Annual scholars students and interested readers have a place for sharing their research and ideas The subjects of this second volume range from one of the very first musicians to make country records Henry Gilliland to the current avant garde work of the alternative country band Uncle Tupolo Ernest Tubb s musical roots the origins of one of Roy Acuff s classic gospel songs and the Carter Family s rhythms are discussed in these pages Even NASCAR makes an appearance Advisory Board Bill C Malone Nolan Porterfield Jimmie Rogers Curtis Ellison William K McNeil Wayne W Daniel Joli Jensen **City Slicker's Guide to Country Living** Becky Condon,2017-07-01 Neighbors Persons living in proximity to other persons Everyone has neighbors Neighbors From Hell Neighbors who are not nice Have you ever had Neighbors From Hell Neighbors are an obvious arrangement in cities or towns Good or bad tidy or messy quiet or noisy nice or mean there are all types City slickers moving to the country invoke the image of space and solitude but there will still be neighbors The space between domiciles might be larger but a bad messy or noisome neighbor can still exist Even with a country home s space and larger area there can still be neighbors that won t contain themselves to their own area Once upon a time there was a young family who had a dream of owning land and operating a farm They became land owners and cattle ranchers building their very own dream house on their very own patch of paradise They worked hard to assimilate to this new lifestyle in a new neighborhood It was everything they d hoped for and they were so happy Then they got neighbors They got Neighbors From Hell These bad neighbors were pushy arrogant and mean Their bad attitudes slovenly habits and meanness aside the neighbors would not contain themselves to their own area They encroached They took what was not theirs They forced themselves into the space and lives of our heroes These neighbors meant to build their house on their property next door to our little family The neighbors property had some unfortunate attributes however and it became clear that their property wasn t very conducive to building a home Astonishingly these neighbors insisted on utilizing portions of property they didn t own to construct their project There were other solutions to the construction dilemmas these neighbors faced but these answers would have been costly They wanted to use our little family s land for free They wanted to steal the property and property rights of our little family These Neighbors From Hell came on over bringing their messes and problems with them and embroiled our little family in a battle for their rights and their very lives When our heroes stood firm on their property rights these awful neighbors tried it anyway When the young couple complained the neighbors lied When the family sought the help of the authorities they found out the difficulties of fighting city hall when the local power came to the aid and assistance of their county crony even in the face of proven and documented lies The common refrain used as their excuse for

lies and deceit was Y all aren t from around here are you This bigotry and clannish attitude was brought to full force against our little family whose only desire was to be left alone on their own land When the neighbors couldn t steal the part of the land they were after they tried to take everything Using their friends in county authority and the local judiciary they brought the fight of our young heroes lives Does the young family survive Can they win against the local establishment and seemingly insurmountable odds What do you do when your neighbors are the Neighbors From Hell What do you do when the Neighbors From Hell have friends in high places What do you do when they threaten your home your livelihood and your family Everyone knows fighting city hall can be a pointless fight rarely won But what do you do when city hall brings the fight to you Sometimes you have to stand and fight
