Rebellion, Rascals, and Revenue Michael Keen,Joel Slemrod,2022-05-17 An engaging and enlightening account of taxation told through lively dramatic and sometimes ludicrous stories drawn from around the world and across the ages Governments have always struggled to tax in ways that are effective and tolerably fair Sometimes they fail grotesquely as when in 1898 the British ignited a rebellion in Sierra Leone by imposing a tax on huts and in repressing it ended up burning the very huts they intended to tax Sometimes they succeed astonishingly as when in eighteenth century Britain a cut in the tax on tea massively increased revenue In this entertaining book two leading authorities on taxation Michael Keen and Joel Slemrod provide a fascinating and informative tour through these and many other episodes in tax history both preposterous and dramatic from the plundering described by Herodotus and an Incan tax payable in lice to the misremembered Boston Tea

Party and the scandals of the Panama Papers Along the way readers meet a colorful cast of tax rascals and even a few tax heroes While it is hard to fathom the inspiration behind such taxes as one on ships that tended to make them sink Keen and Slemrod show that yesterday s tax systems have more in common with ours than we may think Georgian England s window tax now seems quaint but was an ingenious way of judging wealth unobtrusively And Tsar Peter the Great s tax on beards aimed to induce the nobility to shave much like today s carbon taxes aim to slow global warming Rebellion Rascals and Revenue is a surprising and one of a kind account of how history illuminates the perennial challenges and timeless principles of taxation and how the past holds clues to solving the tax problems of today The Daily Telegraph Guide to the Antique Shops of Britain, 2001/2002 Carol Adams,2000-12-07 This is a useful guide for all antique dealers and collectors Around 7000 detailed entries are arranged by area and information about each shop contains the address telephone number opening hours type of stock and price range **The Lives of George Frideric Handel** David Hunter,2015 This book aims not only to re examine the life of the great composer Handel but also to explore the very concepts of biography With an introduction bibliography and index Figures Tables *The Publishers Weekly* ,1896 *London's Waterfront and its World, 1666-1800* John Schofield,Stephen Freeth,2023-12-21 This volume covering the period 1666 1800 considers the archaeology of the port of London on a wide scale from the City down the Thames to Deptford During this period with the waterfront at its centre London became the hub of the new British empire contributing to the exploitation of people from other lands known as slavery History of Soy Sauce (160 CE To 2012) William Shurtleff,Akiko Aoyagi,2012 *Library Catalog of the Metropolitan Museum of Art, New York* Metropolitan Museum of Art (New York, N.Y.). Library,1980
