Eighteenth Century Occultism:

Victorian Occultism and the Making of Modern Magic A. Butler, 2011-01-05 The late Victorian period witnessed the remarkable revival of magical practice and belief Butler examines the individuals institutions and literature associated with this revival and demonstrates how Victorian occultism provided an alternative to the tightening camps of science and religion in a social environment that nurtured magical beliefs

Studies on Voltaire and the Eighteenth Century Theodore Besterman, 1975

Occultism in a Global Perspective Henrik Bogdan, Gordan Djurdjevic, 2014-09-11 The study of the ideas and practices associated with occultism is a rapidly growing branch of contemporary scholarship However most research has focused on English and French speaking areas and has not addressed the wider spread and significance of occultism

Occultism in a Global Perspective presents a broad international overview Essays range across the German magical order of the Fraternitas Saturni esoteric Satanism in Denmark sexual magic in Colombia and the reception of occultism in modern Turkey India and the former Yugoslavia As any other form of cultural practice the occult is not isolated from its social discursive religious and political environment By studying occultism in its global context the book offers insights into the reciprocal relationships that colour and shape regional occultism

Studies on Voltaire and the Eighteenth Century, 1955

The Occult World Christopher Partridge, 2014-12-05 This volume presents students and scholars with a comprehensive overview of the fascinating world of the occult It explores the history of Western occultism from ancient and medieval sources via the Renaissance right up to the nineteenth and twentieth centuries and contemporary occultism Written by a distinguished team of contributors the essays consider key figures beliefs and practices as well as popular culture

Occultism, Witchcraft, and Cultural Fashions Mircea Eliade, 2012-04-02 In the period dominated by the triumphs of scientific rationalism how do we account for the extraordinary success of such occult movements as astrology or the revival of witchcraft From his perspective as a historian of religions the eminent scholar Mircea Eliade shows that such popular trends develop from archaic roots and periodically resurface in certain myths symbols and rituals In six lucid essays collected for this volume Eliade reveals the profound religious significance that lies at the heart of many contemporary cultural vogues Since all of the essays except the last were originally delivered as lectures their introductory character and lively oral style make them particularly accessible to the intelligent nonspecialist Rather than a popularization Occultism Witchcraft and Cultural Fashions is the fulfillment of Eliade's conviction that the history of religions should be read by the widest possible audience

Spirituality and the Occult Brian Gibbons, 2013-07-04 Spirituality and the Occult argues against the widely held view that occult spiritualities are marginal to Western culture Showing that the esoteric tradition is unfairly neglected in Western culture and that much of what we take to be modern derives at least in part from this tradition it casts a fresh intriguing and persuasive perspective on intellectual and cultural history in the West Brian Gibbons identifies the influence and continued presence of esoteric mystical movements in disciplines such as medicine science philosophy
