**Economic Development and Policies** G. A. Marzouk,1972      Economic Development and Policies Girgis A. Marzouk,1972      **Economic development and policies** G. A. Marzouk,1972      *Economic Development in East and Southeast Asia* Seiji Naya,Akira Takayama,1990 This volume reflects the wide range of development issues and problems of the economies of East and Southeast Asia whose dynamic performances have caught the attention of many around the world It also serves to honour Professor Shinichi Ichimura for his dedication and many contributions to creating a better understanding of the development issues faced by the countries in the region Both the editors and all of the contributors in this book have worked with Professor Ichimura at one time or another      **Economic Development and Policies** George A. Marzouk,1972      Growth Pole Strategy and Regional Development Policy Fu-Chen Lo,Kamal Salih,2013-10-22 Growth Pole Strategy and Regional Development Policy Asian Experience and Alternative Approaches focuses on theoretical and practical issues in regional policy including analytical and strategic approaches to regional development and underdevelopment problems The selection first offers information on Asian case studies in decentralization policy and the growth pole approach including trends in development planning in Japan and the case study of the Mizushima industrial complex Topics include the period of post war reconstruction plan formulation and implementation of Mizushima industrial complex development and interregional dispersion of development of national economy The text also examines the case study of the Ulsan industrial complex in Korea The book looks at decentralization policy growth pole approach and resource frontier development as well as regional structure and uneven economic development in Southeast Asia policy responses toward regional development in Southeast Asia and growth pole approach in Southeast Asia The text also focuses on growth strategies and human settlement in developing countries and growth poles and regional policy in open dualistic economies The selection is a vital reference for readers interested in the theoretical and practical approaches in regional development policy      Economic Development and Policies Marzouk,1977-03-31      **State Structure, Policy Formation, and Economic Development in Southeast Asia** Antoinette R. Raquiza,2013-06-17 Why do some small developing countries industrialize and others don t What factors account for different economic performance among states that are vulnerable to external shocks crony capitalism and political instability This book argues that the answer lies in the structuring of state power specifically the way different sets of governing elites political leaders and economic technocrats are embedded in political organisations and state institutions and the way these elites relate to each other in the economic development policy process Conducting a comparative historical analysis of Thailand and the Philippines the book argues that the institutional settings of governing elites influence economic outcomes In Thailand political power traditionally connects to state institutions in ways that has limited the impact of political turnovers and global downturns conducive to long term industrial activities In contrast Philippine state power derives from family networks that merge social and political power suited to fast moving short term commercial interests In

focusing on this political and institutional story the author analyses the current development dilemmas of countries weighed down by historical legacies of unstable regimes dependency and social conflict and how they are likely to develop in the future

**The Thai Economy** Chris Dixon,1998-12-03 This volume looks at the origins and consequences of the accelerated growth of the Thai economy since the mid 1980s and explores the factors that set Thailand apart from other Asian African and Latin American countries

Thailand's Industrialization and its Consequences Medhi Krongkaew,1995-06-12 Professor Krongkaew is one of Thailand's best known academic economists and he has brought together an impressive number of authorities on the modern Thai economy The resulting book should be of great value to anyone wanting an authoritative and comprehensive overview of recent developments in one of Asia's most dynamic economies Anne Booth School of Oriental and African Studies University of London The book is divided into 4 parts Part 1 gives an overview of Thai industrialization and the roles of agriculture manufactured exports direct foreign investment and tourism as major contributors to recent fast economic growth Part 2 analyses the impact of industrialization on government finance monetary policy urbanisation and household welfare Part 3 further investigates impact on political development social values the environment and education health and science and technology Part 4 looks at a future role of Thailand as a newly industrialized country in Asia
