**Outsourcing Economics** William Milberg, Deborah Winkler, 2013-04-29

Outsourcing Economics has a double meaning First it is a book about the economics of outsourcing Second it examines the way that economists have understood globalization as a pure market phenomenon and as a result have outsourced the explanation of world economic forces to other disciplines Markets are embedded in a set of institutions labor government corporate civil society and household that mold the power asymmetries that influence the distribution of the gains from globalization In this book William Milberg and Deborah Winkler propose an institutional theory of trade and development starting with the growth of global value chains international networks of production that have restructured the global economy and its governance over the past twenty five years They find that offshoring leads to greater economic insecurity in industrialized countries that lack institutions supporting workers They also find that offshoring allows firms to reduce domestic investment and focus on finance and short run stock movements

**Fiscal Policy, Stabilization, and Growth**

Guillermo E. Perry, Luis Servén, Rodrigo Suescún, 2007-10-19 Fiscal policy in Latin America has been guided primarily by short term liquidity targets whose observance was taken as the main exponent of fiscal prudence with attention focused almost exclusively on the levels of public debt and the cash deficit Very little attention was paid to the effects of fiscal policy on growth and on macroeconomic volatility over the cycle Important issues such as the composition of public expenditures and its effects on growth the ability of fiscal policy to stabilize cyclical fluctuations and the currency composition of public debt were largely neglected As a result fiscal policy has often amplified cyclical volatility and dampened growth Fiscal Policy Stabilization and Growth explores the conduct of fiscal policy in Latin America and its consequences for macroeconomic stability and long term growth In particular the book highlights the procyclical and anti investment biases embedded in the region's fiscal policies explores their causes and macroeconomic consequences and assesses their possible solutions

, 1977 **The Church in the Modern World** Erin Brigham, 2014-12-31 The Church in the Modern World Fifty Years after Gaudium et Spes commemorates the fiftieth anniversary of the Second Vatican Council's Pastoral Constitution on the Church in the Modern World Featuring scholars from the Joan and Ralph Lane Center for Catholic Studies and Social Thought this book offers a future orientated analysis by highlighting contemporary social issues through the lens of Gaudium et Spes In part I authors examine the historical political and social significance of the document Part II presents interdisciplinary

perspectives on current social issues in light of *Gaudium et Spes* and contemporary Catholic social thought The book covers such topics as immigration women in the Church environmental ethics human rights economic justice the Church in Africa and liberation theology *NBER Macroeconomics Annual 2004* National Bureau of Economic Research, 2005 Papers by leading researchers consider such questions as the effect of government debt on interest rates technology shocks demand shocks and output volatility and procyclical macroeconomic policies in developing countries *Faith, Family, and Filipino American Community Life* Stephen M. Cherry, 2014-01-03 Stephen M Cherry draws upon a rich set of ethnographic and survey data collected over a six year period to explore the roles that Catholicism and family play in shaping Filipino American community life From the planning and construction of community centers to volunteering at health fairs or protesting against abortion this book illustrates the powerful ways these forces structure and animate not only how first generation Filipino Americans think and feel about their community but how they are compelled to engage it over issues deemed important to the sanctity of the family Revealing more than intimate accounts of Filipino American lives Cherry offers a glimpse of the often hidden but vital relationship between religion and community in the lives of new immigrants and allows speculation on the broader impact of Filipino immigration on the nation The Filipino American community is the second largest immigrant community in the United States and the Philippines is the second largest source of Catholic immigration to this country This ground breaking study outlines how first generation Filipino Americans have the potential to reshape American Catholicism and are already having an impact on American civic life through the engagement of their faith *The Social Logic of Politics* Alan S. Zuckerman, 2005 Re establishes the connection between social life and political behavior **Experts and Consensus in Social Science** Carlo Martini, Marcel Boumans, 2014-09-11 This book brings together the research of philosophers sociologists and social scientists It examines those areas of scientific practice where reliance on the subjective judgment of experts and practitioners is the main source of useful knowledge to address and possibly bring solutions to social problems A common phenomenon in applications of science is that objective evidence does not point to a single answer or solution to a problem Reliance on subjective judgment then becomes necessary despite the known fact that hunches even those of putative experts often provide information that is not very accurate and that experts are prone to fallacies and biases The book looks at how experts reach consensus in the social sciences and which experts are relevant to which problems It aims to answer many questions the main one being Can we start building a normative theory of expertise on the basis of the evidence that social scientists sociologists and philosophers have uncovered *Advancing Culture of Living with Landslides* Matjaž Mikoš, Vít Vilímek, Yueping Yin, Kyoji Sassa, 2017-05-17 This volume contains peer reviewed papers from the Fourth World Landslide Forum organized by the International Consortium on Landslides ICL the Global Promotion Committee of the International Programme on Landslides IPL University of Ljubljana UL and Geological Survey of Slovenia in Ljubljana Slovenia from May 29 to June 2 2017 The complete collection of papers from the Forum is published in five full color volumes
