Japan's Alliance Politics and Defence Production N. Renwick,1995-08-09 Japan s alliance with the United States is examined with reference to defence production and technology sharing The alliance s post Cold War relevance is considered It is argued that there is a danger of significant tensions arising in the relationship from parallel rather than identical national interests A widening gap between the respective interests forms a potentially fatal flaw in the relationship Failure to move beyond bilateralism to multilateral answers threatens to undermine the search for regional peace **Daily Report**

,1996 **Background Notes, Japan** ,1994 *Newsletter* United States. Department of State,1993 *The Japanese Economy* United States. Congress. Joint Economic Committee,1994 Distributed to some depository libraries in microfiche

State ,1993 *Legalization and Japan* Keisuke Iida,2006 The last decade has seen Japan become more aggressive in settling its trade disputes through the WTO process whereas previously it preferred settling such disputes more informally on a bilateral basis In *The Politics of WTO Dispute Settlement* Keisuke Iida demonstrates how and why this transformation has taken place Professor Iida argues that though Japanese trade policy has become legalized it remains distinct from US or the EU where trade lawyers are in the driving seat of dispute settlement Instead Japan has pursued what might be called tactical legalization borrowing expertise information and leverage from the private sector foreign lawyers and the other major trading partners such as the EU in particular The book demonstrates in detail how the multilateral trade system and the trade policy of major trading nations including that of Japan interact to increase or restrain the legalization of the world trading system
