Mackey Kallis and Johnston focus their analysis on films that point to the need for father atonement ego decentering and the resurrection of the lost feminine to heal our collective gendered cultural wounds Many of these mystic films they contend affirm the role of meaningful suffering compassion integration of the feminine self sacrifice and transcendence as antidotes to the inevitable woundedness of the human condition Ultimately the authors argue for the importance of digging into the substance of cultural wounds rather than superficially suturing them over to change the conversation about woundedness and provide a roadmap for healing gendered relations in contemporary American culture The book concludes with a discussion of Joseph Campbell s interpretation of the metaphorical power of myth and its transcendent function to argue for a theory of us rather than a theory of us versus them Scholars of film gender studies American studies cultural studies gender studies and psychology will find this book of particular interest *Justice of the Peace* ,1868 **Brain Food and Other**

**Tales** Brian Allen,2012-02-01 On the surface menace lurks in many of the stories in Brain Food and Other Tales Some of these disturbing stories seem to be based on fact All are surprisingly difficult to forget The short story Brain Food tells of a distressed woman who happens on an unbelievably cruel and callous way of ridding herself of her violent drunken husband Cottage Pies appears to be set within an idyllic village but all is not as it seems Soon a shockingly brutal child murder and rape shatter the tranquility The villagers take matters into their own hands in determining the culprit and inflicting a suitable penalty Yet another story Asudem tells of a traveller s meeting on an idyllic Greek island with a beautiful sophisticated woman that gives every indication of proving to be the start of a truly rewarding relationship Instead it is the prelude to a tale that takes a different horrific direction Never Say Die illustrates that there may be worse things than dying Far from bringing peace and relief from a ghastly terminal illness death instead brings the most horrible transformation In contrast My Good Friend Sam tells a story of true friendship but still offers an unpredictable ending Senate documents ,1877
