Guruswamy, 2003-04-30 Edward Taylor 1642 1729 was one of the most influential ministers in Puritan New England He was also a prolific but unpublished poet With the discovery of his poetry in 1936 and the publication of a nearly complete volume in 1960 his reputation as the premiere early American poet has grown immensely His widely anthologized work is taught in most introductory American literature courses and nearly all courses on early American literature This reference is a convenient guide to his poetry including a summarization of the current state of scholarship on his work Beginning with an overview of his life and times this reference analyzes Taylor's Preparatory Meditations and Gods Determinations along with his other poems in light of Puritan doctrine and his thoughts about poetry The book traces the genesis of his works their editorial and publication history and the complex cultural and historical background of his writings Later chapters discuss his themes his poetic art and the reception of his works A brief bibliographical essay completes the volume *Edward Taylor* Norman S. Grabo, 1988 Provides in depth analysis of the life works career and critical importance of Edward Taylor The Poems of Edward Taylor Edward Taylor, 1960 Now considered America's foremost colonial poet Edward Taylor was virtually unknown until some of his poems were discovered in the Yale library and published in 1937 The intellectual brilliance and the emotional intensity of his poetical meditations have led critics to compare him to John Donne and George Herbert These poems are now recognized as one of the great achievements in American devotional literature Book jacket *Edward Taylor* Donald E. Stanford, 1965 *The Tayloring Shop* Edward Taylor, Thomas M. Davis, Virginia L. Davis, 1997 The bodies of tradition discussed here range from the Puritan concept of nature to Puritan casuistry Three of the traditions presented nature casuistical and elegiac are analyzed for the way in which they help us understand the basic ideas in and the development of Taylor's poetry Some Poems of Edward Taylor Edward Taylor, King College. Sign of the George, 1990 **Edward Taylor** Donald E. Stanford, 1965 **Edward Taylor's Gods Determinations and Preparatory Meditations** Edward Taylor, 2003 When the young minister poet Edward Taylor moved to Westfield Massachusetts in November of 1671 he had written several poems When he died there fifty eight years later in addition to thousands of sermons and more than 2 000 manuscript pages of original prose he had composed some 40 000 lines of poetry For two of his poetic projects in particular Taylor is considered with Anne Bradstreet one of British North America's most accomplished poets Daniel Patterson's *Edward Taylor's Gods Determinations and Preparatory Meditations* A Critical Edition reconsiders the texts of Taylor's two major works for the first time since Donald Stanford's 1960 edition This volume also offers the first complete text of all the Meditations that Taylor transcribed into his Poetical Works manuscript

The restoration of Taylor's text however is the most enduring value of this edition which is designed to become the new standard edition of these poems. The scores of substantive variants and the hundreds of variants in matters of punctuation and capitalization existing between the Patterson and Stanford texts are fully reported in the back of the volume as are all editorial emendations. **Ulti** The Earliest Poems of Edward Taylor Donald E. A Reading of Edward Taylor Thomas M. Davis, 1992

A Reading of Edward Taylor is a study of Taylor's poetry in the sense that Thomas M. Davis is interested in how the nature of the poems evolves during the nearly fifty years Taylor served as minister in Westfield, Massachusetts. The first part of the book examines the long doctrinal poem *God's Determinations* as the poem in which Taylor emerges as an accomplished poet. The final section of the poem, the *Choral Epilogue*, with its emphasis on praising God in song leads directly to the initial poems of the *Preparatory Meditations*, the more than two hundred meditative poems that Taylor wrote over the next forty years. The early poems in Series 1 exhibit only loosely organized sequences; some are directly prompted by the Lord's Supper but many are related in only indirect ways to the Sacrament. These poems in their range and celebration of the joys of grace are some of Taylor's best. In *Meditations 19-22* he writes four interlocked poems dealing with the relation of his poetry to his spiritual condition. Despite Taylor's disclaimers about the quality of his poetry in these poems he also makes his most elevated claim about his ability to praise. What reservations he has about his ability to praise adequately are relatively minor. In subsequent *Meditations*. But after the death of his wife Elizabeth Taylor reexamines the nature of his poetry and the relationship of grace to his ability to write in praise of Christ. And he begins to equate shoddy poetry with his own sin. In the central *Meditations* in this process *Meditations 39 and 40* the intense examination of his sinful state *My Sin my Sin My God these Cursed Dregs* leads him to beg Christ to destroy his Taylor's sins so that his rough Feet shall Christ's smooth praises sing. By the end of Series 1 he has come to accept a more limited view of the possibility of writing praise commensurate with Christ's glory. He acknowledges that until he receives the Crown of Life I cannot sing my tongue is tide. Accept this Lisp till I am glorified. He then turns at the beginning of Series 2 to the poems on typology. These poems are often mechanical, particularly those where he is too strictly bound by the large number of typological parallels. He also recognizes these limitations and moves increasingly to other texts, particularly those from the *Canticles*. In the allegory of the Song Taylor finds the openness and sensuous imagery that allow him to express as fully as is possible his love of Christ and his passionate desire to be with the Bridegroom in the heavenly Garden. The more than forty *Meditations* based on *Canticles* texts near the end of Series 2 reveal Taylor's sense of drawing closer and closer to being in the Garden itself and of replacing his lisp with the true voice of the glorified BOOK JACKET Title Summary field provided by Blackwell North America Inc.
