The Changing Face of Portrait Photography ,2011-10-18 A richly illustrated volume examines the portrait

work of Dorothea Lange, Richard Avedon, Robert Weingarten, George K. Warren, Julia Margaret Cameron, the Barr Wright Studio, Gertrude Kasebier, Nicholas Muray, Henry Horenstein, and Lauren Greenfield. *The Changing Face of Portrait Photography* explores the power of the portrait and the role it plays in our personal and national identities. *The Changing Face of Portrait Photography* explores ten groups of portraits selected from within the Smithsonian National Museum of American History's Photographic History Collection. The selections represent work by specific photographers with diverse relationships to portraiture and through their sampling take a focused look at changing convention, theory, and technologies. **Nature and Landscape Photography** Michael Freeman, 2004. Packed with more than 400 photographs, technical tips, and personal insights, this inspirational guide helps outdoor photographers make the most of their digital camera. With a concentration on the different techniques required by the digital format, each page explains how to create professional quality photos of all the popular subjects: urban and rural photography, street portraits, architecture, and more. Manage such challenges as excessively bright skies and find out how to take full advantage of nature's beauties such as the warm golden light found at daybreak and dusk. Expert information reveals how to enhance the image by using filters such as grads and polarizers along with computer and image editing software. There's added advice on composition, framing, and setting the scene. **American Photo**, 2000-09.
