Restructuring and Quality: Issues for Tomorrow's Schools Tony Townsend, 2002-11-01 The restructuring of schools systems across the world has been controversial Have reforms been driven by a desire to cut educational budgets or the need to improve the quality of educational provision This book explores the restructuring movement with a particular emphasis on how decentralisation of power has affected the quality of education It provides a broad and international picture of educational reform The Primary School in Changing Times Tony Townsend, 2002-09-11 Following substantial changes

throughout the Australian education system primary schools are no longer in the protected position of having a regulated flow of clients a pre determined curriculum and marginal levels of staff development Recent moves have brought new or increased responsibilities for all schools in areas such as curriculum and policy development staff development monitoring and assessment the use of new technologies resource allocation This book seeks to review the impact of this change on Australian primary schools on the people who are involved with them and the issues they face Primary education is being re structured throughout the world and therefore these issues are of great interest and relevance to educators worldwide

Snapshots of School Leadership in the 21st Century Michele A. Acker-Hocevar, Gary Ivory, A. William Place, Julia Ballenger, Ph.D., 2012-08-01 In the book we provide snapshots describing this critically important time in our nation when federal educational policy implementation has been at a level previously unheard of in the United States We present a chapter on the design and method of Voices 3 eight chapters on analyses of the focus group discussions and two invited chapters that provide a review and critique of our work The chapters will be excellent resources for professors of educational leadership as we respond to the changing environment and improve preparation programs for superintendents and principals We also see the book as a good resource for practitioners who desire to take the pulse of their colleagues in the field to see common concerns across various issues Finally it will be useful to policy makers as they consider the impact of their decisions on the implementation phases in districts and schools With this book you are receiving access to the 27 focus group transcripts on which the chapters are based Instructors of qualitative research may find these data useful in their classes e g for students to practice different types of data analysis and coding **Resources in Education** ,1985 **Community**
