

JOHN WILKINSON

EGERIA'S TRAVELS  
TO THE HOLY LAND

*Revised edition*

# Egerias Travels To The Holy Land

**Marion Ann Taylor, Agness Choi**

## **Egerias Travels To The Holy Land:**

*Egeria's Travels* Egeria, 1971 Pilgrimage of prob Spanish nun to Egypt Holy Land Edessa Asia Minor describing scenes of Biblical events Christian liturgical practice      **Egeria's Travels to the Holy Land** ,1981      *Egeria's travels to the Holy Land [Peregrinatio ad loca sancta, engl.] Newly transl. with supporting documents and notes by John Wilkinson* Aquitana Silvia, John Wilkinson, 1981      **Egeria's Travels** John Wilkinson, 1999-02-01 Egeria who was most probably a Spanish nun visited the Holy Land only fifty years after the death of Constantine making her work the earliest surviving account of the area      **Egeria's Travels** ,1999-02-01 Egeria who was most probably a Spanish nun visited the Holy Land only fifty years after the death of Constantine making her work the earliest surviving account of the area      **Egeria, Journey to the Holy Land** Egeria, 2020 This is the first ever edition of the Latin text to be accompanied by an English translation in parallel The Itinerarium Egeriae is the travel diary of a late fourth century visit to Egypt and Palestine by a Christian woman from Western Europe As well as stopping at many sites of biblical significance she spent three years in Jerusalem and recorded in detail its liturgical practices throughout the yearly cycle This is the first ever edition of the Latin text to be accompanied by an English translation in parallel The volume includes an introduction notes and a substantial bibliography There are also appendices containing recent fragmentary textual discoveries and the text and translation of the seventh century letter of the Spanish monk Valerius which first identified the author      **Bishops, Community and Authority in Late Roman Society** Rebecca Devlin, 2025-10-01 When the bishop Hydatius found himself held hostage in Gallaecia a Roman province in the northwestern Iberian Peninsula by a band of Sueves in the year 460 he deployed his experience as an ambassador for his congregation and used his captivity as a tool for negotiating peace As this example shows bishops held considerable economic political and social power in the early Middle Ages The expansion of ecclesiastical influence was not however a simple consequence of the legalization of Christianity or a power vacuum that followed the withdrawal of imperial authority The transformation of the episcopate resulted instead from dynamic processes to which all status groups contributed and that are best understood through contextual and diachronic analysis This monograph focuses on the clerical community in Gallaecia and employs a case study and interdisciplinary approach incorporating written and material evidence to put bishops like Hydatius in their larger social and economic contexts to elucidate why the people living and working in their sees would imbue them with increasing authority and explain how their roles within their local communities expanded This book Analyses the accumulation of political power social capital and local influence by bishops approaching them as part of a larger social system understood as a whole that experienced transformative change across all of its layers Deploys all evidence written material etc without privileging one form over the other a priori to produce a deep reconstruction of the social and physical contexts micro historical landscapes in which bishops operated to explain their rise to prominence Turns the problem of Iberian early medieval written sources on its head i e the NW and clerical authors are overrepresented by

engaging in a series of diachronic case studies to develop a rich understanding of episcopal influence in the NW as a point of departure for understanding broader developments in the late and post Roman periods

*The Pilgrimage of Egeria* Anne McGowan, Paul F. Bradshaw, 2018-06-01 This new version of the late fourth century diary of journeys in and around the Holy Land known as the *Itinerarium Egeriae* provides a more literal translation of the Latin text than earlier English renderings with the aim of revealing more of the female traveler's personality The substantial introduction to the book covers both early pilgrimage as a whole especially travel by women and the many liturgical rites of Jerusalem that Egeria describes Both this and the verse by verse commentary alongside the translated text draw on the most recent scholarship making this essential reading for pilgrims students and scholars seeking insight into life and piety during one of Christianity's most formative periods

*Cyril of Jerusalem, Mystagogue* Alexis James Doval, 2001 After centuries of unresolved dispute over the question of whether the *Mystagogic Catecheses* belongs among the works of St Cyril of Jerusalem this book finally settles the controversy These post baptismal Easter sermons are a prized witness to the way the rites of initiation baptism confirmation and Eucharist were celebrated in fourth century Jerusalem and for the rich sacramental theology they contain Uncertain authorship has prevented the text from being fully appreciated as an integral part of Cyril's works Cyril's reputation as a catechist is time honored and his *Baptismal Catecheses* has served as an invaluable source of early Church doctrine and practice Scholars can now confidently include the *mystagogic sermons* in their study of Cyril's doctrinal and sacramental theology and practice This study addresses much more than the question of authorship A thorough examination of the *Mystagogic Catecheses* in conjunction with Cyril's *Baptismal Catecheses* provides a new view into his life and thought as both catechist and mystagogue It begins with a survey of those aspects of Cyril's life and his Jerusalem church that are relevant to reassessing the authorship of the *Mystagogic Catecheses* It then examines the text's manuscript tradition literary tradition and date There follows the most extensive section a comparative analysis of the disputed sermons and Cyril's *Baptismal Catecheses* in the areas of liturgical rites theology spirituality and literary style The text is then compared to the known works of the contending author John II of Jerusalem Finally the sermons are subjected to a stylometric analysis that is a computer based statistical analysis of literary style This book will be welcomed by scholars of early Christianity especially those interested in the life and works of Cyril of Jerusalem Of special interest is its treatment of the history and development of liturgy in the Christian East through the fourth century This is the first volume in the *Patristic Monograph Series* of the North American Patristic Society to be published by the Catholic University of America Press

ABOUT THE AUTHOR Alexis James Doval is associate professor of religious studies at Saint Mary's College of California

PRAISE FOR THE BOOK A considerable contribution to a vexed but vital question about Cyril and the *mystagogical catecheses* Doval's study is a must for any patrologist interested in liturgical history and theology concerned about the resurgence of the Jerusalem church studying the development of catechesis and catechumenate or exploring questions related to the controversies of the fourth

century Prof Thomas Finn College of William and Mary The persistent question of authorship receives a comprehensive treatment in this work The door on John s authorship of the mystagogical catechesis is not completely closed but for Doval it remains an improbability at best Barring new evidence it will probably never be opened wide again in the wake of this study William P McDonald Journal of Early Christian Studies A n important purchase for libraries which have patristics collections or collections in the history of doctrine and liturgy Cecil R White Catholic Library World Doval s cumulative case is compelling and the onus must now be on those who dispute Cyril s authorship to justify continued dissent A n important contribution to studies of Cyril of Jerusalem and the fourth century liturgy of the Holy City Bryan D Spinks Journal of Ecclesiastical History This book offers a very carefully defined structure and method for dealing with a highly complicated question Pablo F Argarate Toronto Journal of Theology

**Pilgrimage to Rome in the Middle Ages** Debra Julie Birch,1998 Rome was one of the major pilgrim destinations in the middle ages The belief that certain objects and places were a focus of holiness where pilgrims could come closer to God had a long history in Christian tradition in the case of Rome the tradition developed around two of the city s most important martyrs Christ s apostles Peter and Paul So strong were the city s associations with these apostles that pilgrimage to Rome was often referred to as pilgrimage t o the threshold of the apostles Debra Birch conveys a vivid picture of the world of the medieval pilgrim to Rome the Romipetae or R ome seekers covering all aspects of their journey and their life in the city itself Back cover

Melania the Younger Elizabeth A. Clark,2021-02-11 Melania the Younger From Rome to Jerusalem explores the richly detailed story of Melania an early fifth century Roman Christian aristocrat who renounced her staggering wealth to lead a life of ascetic renunciation Hers is a tale of riches to rags Born to high Roman aristocracy in the late fourth century Melania encountered numerous difficulties posed by family members Roman officials and historical circumstances in disposing of her wealth property spread across at least eight Roman provinces and thousands of slaves Leaving Rome with her entourage a few years before Alaric the Goth s sack of Rome in 410 she journeyed to Sicily then to North Africa finally settling in Jerusalem all while founding monasteries along the way Towards the end of her life she traveled to Constantinople present day Istanbul in an attempt to convert to Christianity her still pagan uncle who was on a state mission to the eastern Roman court Throughout her life she was accustomed to meet and be assisted by emperors and empresses bishops and other high dignitaries Embracing a fairly extreme asceticism Melania died in Jerusalem in 439 A new English translation of her Life composed by a long time assistant who succeeded her in the direction of the male and female monasteries in Jerusalem accompanies this biographical study

**Premodern Travel in World History** Stephen Gosch,Peter Stearns,2007-12-12 This book features some of the greatest travellers in human history people who undertook long journeys to places they knew little or nothing about From Roman tourists to the establishment of the Silk Road an epic trek round China and India in the seventh century to Marco Polo and through to the first speculations on space travel Premodern Travel in World History provides an overview of long distance

travel in Afro Eurasia from around 400BCE to 1500 This survey uses succinct accounts of the most epic journeys in the premodern world as lenses through which to examine the development of early travel trade and cultural interchange between China central Asia India and southeast Asia while also discussing themes such as the growth of empires and the spread of world religions Complete with maps this concise and interesting study analyzes how travel pushed and shaped the boundaries of political geographical and cultural frontiers **Truthfulness, Realism, Historicity** Peter Turner,2016-02-17

Were holy men historical figures or figments of the theological imagination Did the biographies devoted to them reflect facts or only the ideological commitments of their authors For decades scholars of late antiquity have wrestled with these questions when analysing such issues as the Christianization of Europe the decline of paganism and the rise of the holy man and of the hagiographical genre In this book Peter Turner suggests a new approach to these problems through an examination of a wide range of spiritual narrative texts from the third to the sixth centuries A D pagan philosophical biographies Greek and Latin Christian saints lives and autobiographical works by authors such as Julian and Augustine Rather than scrutinizing these works for either historical facts or religious and intellectual attitudes he argues that a deeper historicity can be found only in the interplay between these types of information On the textual level this analysis recognises the genuine commitment of spiritual authors to write truthfully and to record realistically a world felt to be replete with spiritual and symbolic meaning On the historical level it argues that holy men expecting the same symbolism within their own lives adopted lifestyles which ultimately provoked and confirmed this world view Such praxis is detectable not only in the holy men who inspired biography but also in the period s scattered autobiographical writings As much a historical as a textual phenomenon this spiritually minded scrutiny of the world created interpretations which were always open and contested Therefore this book also associates spiritual narrative texts with only one possible voice of religious experience in a constant dialogue between believers opponents and the sceptical undecided *Rose Guide to the Feasts, Festivals and Fasts of the Bible* Paul H Wright,2022-06-28 Packed with dozens of charts maps and timelines over 150 illustrations and photographs and easy to understand summaries this full color reproducible book on the feasts and celebrations of the Bible will help you understand key information at a glance Passover Yom Kippur Feast of Tabernacles Rosh Hashanah With all the ceremonies festivals and observances in the Bible it s hard to keep track of them all and remember why they re important to our faith But what if you could distill all this key information across dozens of chapters of the Bible into one solid easy to read handbook with images charts and diagrams It s never been easier to get an expert look at the traditions fasts and feasts of the Bible with this guide 5 leading authorities on biblical celebrations and disciplines will help condense their research and historical knowledge into key takeaways that you can learn quickly and easily Solid overviews of the feasts celebrations and rituals kept in ancient Israel and the Old Testament Historical background of the feasts and holy days in the centuries leading up to the New Testament Summary of modern day traditions kept by Jews today Key takeaways of how messianic

communities observe biblical feasts and holidays today Presentation of how non messianic Christian congregations have adopted the feasts into liturgies theologies etc God commanded Moses and the children of Israel to observe feasts and holy days as memorials to the great things that he had done in their lives With expert research clearly understand how these times of celebration are important to help us better see God s complete picture and plan of redemption [The Canon and Beyond](#) Tobias Nicklas ,2024-10-28 How did the canon of the New Testament come into being To what extent can we also speak of a history of the already existing canon What functions were and are assigned to it in different historical contexts What is the relationship between canonical writings and extra canonical writings What is the relationship between Christian apocrypha and the texts of the Bible from the Old and New Testaments The number of questions surrounding the canon of New Testament writings and the lasting significance of apocryphal writings and traditions in relation to the canon is almost inexhaustible This volume brings together contributions by Tobias Nicklas on these topics from the past twenty years A particular focus is on the reassessment of Christian apocrypha and their relationship to image and rite and on understanding of canon as a dynamic entity **Literature of Travel and Exploration** Jennifer Speake,2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website [Jungian and Psychoanalytic Perspectives on Christmas](#) Kendrick Lyddon Norris,2025-09-08 By examining its history traditions symbols and representation in the arts through the lens of three major schools of depth psychology Kendrick L Norris a Jungian Analyst and minister shows how better understanding of the promise of Christmas can allow us to discover what it is that we long for the most Why does the winter celebration of Christmas have such a deep rooted resonance individually and collectively This extensively researched book clearly and engagingly articulates the soul reasons why this holiday has such a significant impact on the human psyche The work begins with an explanation about how depth psychology can be used to understand the Christmas phenomenon followed by an investigation into the origins and symbols of Christmas The book closes by delving into the soul meaning of Christmas through the perspectives of Freud Kohut and Jung This thought provoking volume will appeal to Jungian Analysts psychoanalysts and psychotherapists as well as those interested in religion and its relation to depth psychology *Humble Aspiration* Bernadette McNary-Zak,2020 Explores various concepts of Christian humility in late antiquity looking closely at some of the ways humility has operated as a

relational value in specific contexts involving ascetic women

**Religious Conversion** Ira Katznelson, Miri

Rubin, 2016-04-08 Religious conversion a shift in membership from one community of faith to another can take diverse forms in radically different circumstances As the essays in this volume demonstrate conversion can be protracted or sudden voluntary or coerced small scale or large It may be the result of active missionary efforts instrumental decisions or intellectual or spiritual attraction to a different doctrine and practices In order to investigate these multiple meanings and how they may differ across time and space this collection ranges far and wide across medieval and early modern Europe and beyond From early Christian pilgrims to fifteenth century Ethiopia from the Islamisation of the eastern Mediterranean to Reformation Germany the volume highlights salient features and key concepts that define religious conversion particular the Jewish Muslim and Christian experiences By probing similarities and variations continuities and fissures the volume also extends the range of conversion to focus on matters less commonly examined such as competition for the meaning of sacred space changes to bodies patterns of gender and the ways conversion has been understood and narrated by actors and observers In so doing it promotes a layered approach that deepens inquiry by identifying and suggesting constellations of elements that both compose particular instances of conversion and help make systematic comparisons possible by indicating how to ask comparable questions of often vastly different situations

**Handbook of Women Biblical Interpreters**

Marion Ann Taylor, Agness Choi, 2012-10-01 Word Guild 2012 Canadian Christian Writing Award Honorable Mention The Grace Irwin Prize 2013 2012 Book of the Year Award Foreword Magazine The history of women interpreters of the Bible is a neglected area of study Marion Taylor presents a one volume reference tool that introduces readers to a wide array of women interpreters of the Bible from the entire history of Christianity Her research has implications for understanding biblical interpretation especially the history of interpretation and influencing contemporary study of women and the Bible Contributions by 130 top scholars introduce foremothers of the faith who address issues of interpretation that continue to be relevant to faith communities today such as women's roles in the church and synagogue and the idea of religious feminism Women's interpretations also raise awareness about differences in the ways women and men may read the Scriptures in light of differences in their life experiences This handbook will prove useful to ministers as well as to students of the Bible who will be inspired provoked and challenged by the women introduced here The volume will also provide a foundation for further detailed research and analysis Interpreters include Elizabeth Rice Achtemeier Saint Birgitta of Sweden Catherine Mumford Booth Anne Bradstreet Catherine of Siena Clare of Assisi Egeria Elizabeth I Hildegard Julian of Norwich Thérèse of Lisieux Marcella Henrietta C Mears Florence Nightingale Phoebe Palmer Faltonia Betitia Proba Pandita Ramabai Christina Georgina Rossetti Dorothy Leigh Sayers Elizabeth Cady Stanton Harriet Beecher Stowe St Teresa of Avila Sojourner Truth and Susanna Wesley
