## **Eighteenth Century Europe In The Age Of:**

The Eighteenth Century Alfred Cobban, 1969      The Eighteenth Century Alfred Cobban, W. H. G. Armytage, D. C. Coleman, John Summerson, 1969      **A Companion to Eighteenth-Century Europe** Peter H. Wilson, 2014-01-28 A COMPANION TO EIGHTEENTH CENTURY EUROPE This is an impressive volume with leading experts providing a wide ranging coverage that should satisfy most requirements for effective and thoughtful introductory surveys All specialists on this period will find much of value in this excellent volume History The Journal of the Historical Association This Companion contains 31 essays by leading international scholars to provide an overview of the key debates on eighteenth century Europe It considers not just major western European states but also the often neglected countries of eastern and northern Europe Placing Europe within an international context contributors investigate key areas of society economics culture and political development The book concludes with the French and other European revolutions that brought the century to a close both chronologically and as regards the Ancien R gime A Companion to Eighteenth Century Europe examines both established and emerging areas of interest in the field making it an essential guide for students and scholars      **The Age of Reason** Robert Balmain Mowat, 1934      *The age of reason* Robert B. Mowat, 1980      Women in Eighteenth Century Europe Margaret Hunt, 2014-06-11 Was the century of Voltaire also the century of women In the eighteenth century changes in the nature of work family life sexuality education law religion politics and warfare radically altered the lives of women Some of these developments caused immense confusion and suffering others greatly expanded women s opportunities and worldview long before the various women s suffrage movements were more than a glimmer on the horizon This study pays attention to queens as well as commoners respectable working women as well as prostitutes women physicists and mathematicians as well as musicians and actresses feminists as well as their critics The result is a rich and morally complex tale of conflict and tragedy but also of achievement The book deals with many regions and topics often under represented in general surveys of European women including coverage of the Balkans and both European Turkey and Anatolia of Eastern Europe of European colonial expansion particularly the slave trade and of Muslim Eastern Orthodox and Jewish women s history Bringing all of Europe into the narrative of early modern women s history challenges many received assumptions about Europe and women in past times and provides essential background for dealing with issues of diversity in the Europe of today      Shopping in Eighteenth-Century Europe My Helsing, Johanna Ilmakunnas, 2025-10-28 This volume explores the practices of shopping in Europe during the long eighteenth century a period during which consumption choices expanded to encompass much larger groups than before Shopping functioned as an act of social distinction where retail practices not only reflected and reinforced social aspirations and identities but also were a means of creating relationships through shared information and exchanges Bringing together ten diverse case studies the collection provides in depth insights into the transformation of shopping practices across Western and Northern Europe The production of made to order goods gave way to a range of

ready made objects that could be viewed browsed and touched in shops booths workshops and markets Together the chapters highlight a crucial historical nuance the concept of shopping as understood in England with its associations of pleasure and socialising did not exist in other major European languages during this period From actors in Stockholm to aristocrats in Paris this study rigorously contextualises the practice of consumption leaving readers with an enriched understanding of how shopping shaped identities and social relationships throughout eighteenth century Europe This collection is an essential resource for scholars students and non specialists interested in the material culture economy everyday life and social dynamics of Europe during the long eighteenth century

*The Origins of Jewish Secularization in Eighteenth-Century Europe* Shmuel Feiner, 2011-06-06 Throughout the eighteenth century an ever sharper distinction emerged between Jews of the old order and those who were self consciously of a new world As aspirations for liberation clashed with adherence to tradition as national ethnic cultural and other alternatives emerged and a long circuitous search for identity began it was no longer evident that the definition of Jewishness would be based on the beliefs and practices surrounding the study of the Torah In *The Origins of Jewish Secularization in Eighteenth Century Europe* Shmuel Feiner reconstructs this evolution by listening to the voices of those who participated in the process and by deciphering its cultural codes and meanings On the one hand a great majority of observant Jews still accepted the authority of the Talmud and the leadership of the rabbis on the other there was a gradually more conspicuous minority of Epicureans and freethinkers As the ground shifted each individual was marked according to his or her place on the path between faith and heresy between devoutness and permissiveness or indifference Building on his award winning *Jewish Enlightenment* Feiner unfolds the story of critics of religion mostly Ashkenazic Jews who did not take active part in the secular intellectual revival known as the Haskalah In open or concealed rebellion Feiner's subjects lived primarily in the cities of western and central Europe Altona Hamburg Amsterdam London Berlin Breslau and Prague They participated as fashionable Jews adopting the habits and clothing of the surrounding Gentile society Several also adopted the deist worldview of Enlightenment Europe rejecting faith in revelation the authority of Scripture and the obligation to observe the commandments Peering into the synagogue observing individuals in the coffeehouse or strolling the boulevards and peeking into the bedroom Feiner recovers forgotten critics of religion from both the margins and the center of Jewish discourse His is a pioneering work on the origins of one of the most significant transformations of modern Jewish history

**Art and Religion in Eighteenth-Century Europe** Nigel Aston, 2009-07-15 Eighteenth century Europe witnessed monumental upheavals in both the Catholic and Protestant faiths and the repercussions rippled down to the churches religious art forms Nigel Aston now chronicles here the intertwining of cultural and institutional turmoil during this pivotal century The sustained popularity of religious art in the face of competition from increasingly prevalent secular artworks lies at the heart of this study Religious art staked out new spaces of display in state institutions palaces and private collections the book shows as well as taking advantage of patronage from

monarchs such as Louis XIV and George III who funded religious art in an effort to enhance their monarchical prestige Aston also explores the motivations and exhibition practices of private collectors and analyzes changing Catholic and Protestant attitudes toward art The book also examines purchases made by corporate patrons such as charity hospitals and religious confraternities and considers what this reveals about the changing religiosity of the era as well An in depth historical study Art and Religion in Eighteenth Century Europe will be essential for art history and religious studies scholars alike

*Eighteenth Century Europe, 1700-1789* Jeremy Black,1999-10-04 This new edition of this highly successful and influential work includes two entirely new chapters on Europe and the wider world and on the Revolutionary crisis and is extensively revised throughout It offers a wide ranging thematic account of the century that explores social cultural and economic topics as well as giving a clear analysis of the political events Filled with fascinating detail and unusual examples this absorbing history of eighteenth century Europe will bring the period alive to students and teachers alike The Eighteenth Century Alfred Cobban,1969 *Architectural Space in Eighteenth-Century Europe* Meredith Martin,2017-07-05 Architectural Space in Eighteenth Century Europe Constructing Identities and Interiors explores how a diverse pan European group of eighteenth century patrons among them bankers bishops bluestockings and courtesans used architectural space and d cor to shape and express identity Eighteenth century European architects understood the client s instrumental role in giving form and meaning to architectural space In a treatise published in 1745 the French architect Germain Boffrand determined that a visitor could judge the character of the master for whom the house was built by the way in which it is planned decorated and distributed This interdisciplinary volume addresses two key interests of contemporary historians working in a range of disciplines one the broad question of identity formation most notably as it relates to ideas of gender class and ethnicity and two the role played by different spatial environments in the production not merely the reflection of identity at defining historical and cultural moments By combining contemporary critical analysis with a historically specific approach the book s contributors situate ideas of space and the self within the visual and material remains of interiors in eighteenth century Europe In doing so they offer compelling new insight not only into this historical period but also into our own The Age of Reason Robert Balmain Mowat,1934 **Emma Hamilton and Late Eighteenth-Century European Art** Ersy Contogouris,2018-06-27 This book offers a renewed look at Emma Hamilton the eighteenth century celebrity who was depicted by many major artists including Angelica Kauffman George Romney and Elisabeth Vig e Le Brun Adopting an art historical and feminist lens Ersy Contogouris analyzes works of art in which Hamilton appears her performances and writings by her contemporaries to establish her impact on this pivotal moment in European history and art This pioneering volume shows that Hamilton did not attempt to present a coherent or polished identity and argues instead that she was a kaleidoscope of different selves through which she both expressed herself and presented to others what they wanted to see She was resilient effectively asserted her agency and was a powerful inspiration for generations of artists and women in their

own search for expression and self actualization

### **Women, Art and the Politics of Identity in Eighteenth-Century**

**Europe** Melissa Hyde, Jennifer Milam, 2017-03-02 The eighteenth century is recognized as a complex period of dramatic epistemic shifts that would have profound effects on the modern world Paradoxically the art of the era continues to be a relatively neglected field within art history While women s private lives their involvement with cultural production the project of Enlightenment and the public sphere have been the subjects of ground breaking historical and literary studies in recent decades women s engagement with the arts remains one of the richest and most under explored areas for scholarly investigation This collection of new essays by specialist authors addresses women s activities as patrons and as patronized artists over the course of the century It provides a much needed examination with admirable breadth and variety of women s artistic production and patronage during the eighteenth century By opening up the specific problems and conflicts inherent in women s artistic involvements from the perspective of what was at stake for the eighteenth century women themselves it also acts as a corrective to the generalizing and stereotyping about the prominence of those women which is too often present in current day literature Some essays are concerned with how women s involvement in the arts allowed them to fashion identities for themselves whether national political religious intellectual artistic or gender based and how such self fashioning in turn enabled them to negotiate or intervene in the public domains of culture and politics where The Woman Question was so hotly debated Other essays examine how men s patronage of women also served as a vehicle for self fashioning for both artist and sponsor Artists and patrons discussed include Carriera Queen Lovisa Ulrike and Chardin the Bourbon Princesses Mlle Clermont Mme Ad la de and Nattier the Duchess of Osuna and Goya Marie Antoinette and Vig e Lebrun Labille Guiard Queen Carolina of Naples Prince Stanislaus Poniatowski of Poland and Kauffman David and his students Mesdames Benoist Lavoisier and Mongez

### ***Women's Roles in Eighteenth-Century Europe* Jennine**

Hurl-Eamon, 2010-04-09 This concise historical overview of the existing historiography of women from across eighteenth century Europe covers women of all ages married and single rich and poor During the 18th century the Enlightenment the French Revolution protoindustrialization and colonial conquest made their marks on women s lives in a variety of ways Women s Roles in Eighteenth Century Europe examines women of all ages and social backgrounds as they experienced the major events of this tumultuous period of sweeping social and political change The book offers an inclusive portrayal of women from across Europe surveying nations from Portugal to the Russian Empire from Finland to Italy including the often overlooked women of Eastern Europe It depicts queens an empress noblewomen peasants and midwives Separate chapters on family work politics law religion arts and sciences and war explore the varying contexts of the feminine experience from the most intimate aspects of daily life to broad themes and conditions

### **Languages of Reform in the Eighteenth**

**Century** Susan Richter, Thomas Maissen, Manuela Albertone, 2019-10-18 Societies perceive Reform or Reforms as substantial changes and significant breaks which must be well justified The Enlightenment brought forth the idea that the future was

uncertain and could be shaped by human beings This gave the concept of reform a new character and new fields of application Those who sought support for their plans and actions needed to reflect develop new arguments and offer new reasons to address an anonymous public This book aims to compile these changes under the heuristic term of languages of reform It analyzes the structures of communication regarding reforms in the 18th century through a wide variety of topics

**Enlightenment and Reform in Eighteenth-century Europe** Derek Beales, 2005-03-24 The 18th century was a unique period of global and fundamental change Britain conquered India and much of America the American Revolution produced the USA and Russia expanded vastly In the field of ideas the Scientific Revolution was consolidated and followed by the Enlightenment Nationalism flourished populations surged and the Commercial and Industrial Revolutions with Western technology eclipsed the East Few centuries have inspired such a galaxy of historians and their groundbreaking work has been drawn upon by Derek Beales in his collection of articles and special lectures He covers the whole European kaleidoscope but focuses especially on Joseph II and the Hapburg monarchy asserting that Enlightened Despotism was the emodiment of the century s revolution in ideas politics government and administration

**Travellers in Eighteenth Century Europe** Julie Peakman, 2025-01-16 Travellers in Eighteenth Century Europe is an edited collection with contributions by leading scholars brought together by a prolific author with expertise in eighteenth century culture The Grand Tour was considered a part of the education of a young gentleman Travellers included blossoming scholars poets writers and scientists Visits were made to Greece and Italy via France and Switzerland often taking in Turkey But women also traveled extensively though these accounts have been under explored The book will examine first hand accounts of the impact of foreign travel on both women and men seen through their letters travel diaries journals and their creative response in poems music and art Its originality is seen in its exploration of a comparison between the views of women and men abroad and the differences in what they deemed interesting and worthy of comment The book is especially relevant in light of the many past and current xenophobic views of the foreigner Here we more often see travellers viewing their experience of otherness and exoticism in a positive light a cultural appreciation rather than a cultural appropriation This book examines how men and women saw these new worlds opening up before them what delighted them what influenced them and their interaction with others in the light of domesticity antiquity politics work science sex and friendships

**News and Politics in the Age of Revolution** Jeremy D. Popkin, 2016-02-22 Jeremy D Popkin s book is the first comprehensive examination of the European news industry during the era of the American and French Revolutions He focuses on the Gazette de Leyde the period s newspaper of record and constructs a detailed picture of the media market of which it was a part
