*Forthcoming Books* Rose Army,1992      *Decent Obsessions* Bernard Salt,2013-07-01 What is the etiquette of greeting an opposite sex colleague in a social situation Should you shake hands or air kiss Are you surrounded by people who continually complain about being broke but manage to pop over to Bali for a holiday Do you like saying the names of Susilo Bambang Yudhoyono and Aung San Suu Kyi just because they sound good Do you secretly envy surgeons because they get to scrub right up to their forearms or feel uncomfortable unless the television volume is set to an even number Have you ever left a social function thinking Am I the only normal person in the world If any of this resonated with you then Bernard Salt is your fellow traveller *Decent Obsessions* is a rollicking some might say slightly obsessive journey through the manners the mores and the minutiae of modern life      **Keep Moving** Dick Van Dyke,2015-10-13 Show business legend Dick Van Dyke is living proof that life does get better the longer you live it Who better to offer instruction advice and humor than someone who s entering his ninth decade with a jaunty two step Van Dyke isn t just a born song and dance man his irrepressible belief in embracing the moment and unleashing his inner child has proved to be the ultimate elixir of youth When he was injured during the filming of *Chitty Chitty Bang Bang* his doctor warned him he d be using a walker within seven years but Dick performed a soft shoe right there and never looked back In *Keep Moving* Dick Van Dyke offers his own playful anecdotes and advice as well as insights from his brother actor Jerry Van Dyke his friend and creator of *The Dick Van Dyke Show* Carl Reiner and other spirited friends and family Whether he s describing the pleasure he takes in his habitual visits to the grocery store how he met his late in life love Arlene or how he sprung back livelier than ever from a near death experience Dick s optimistic outlook is an invigorating tonic for anyone who needs a reminder that life should be lived with enthusiasm despite what the calendar says You don t have to act your age You don t even have to feel it And if it does attempt to elbow its way into your life you do not have to pay attention If I am out shopping and hear music playing in a store I start to dance If I want to sing I sing I read books and get excited about new ideas I enjoy myself I don t think about the way I am supposed to act at my age or at any age As far as I know there is no manual for old age There is no test you have to pass There is no way you have to behave There is no such thing as age appropriate When people ask my secret to staying youthful at an age when getting up and down from your chair on your own is considered an accomplishment you know what I tell them Keep moving Dick Van Dyke      **Dreaming Of Jupiter** Ted Simon,2012-12-20 Ted Simon is the author of the classic travel book *JUPITER S TRAVELS* It documents his four year journey round the world by motorbike travelling through Europe Africa South and North America and Asia A number one bestseller in the late 1970s it is still regarded as one of the greatest motorcycle books indeed one of the greatest travel books ever written In 2001 at the age of 69 Ted Simon decided to retrace his journey and

DREAMING OF JUPITER is the result It took him two and a half years during which time he revisited all the countries he had travelled through in the 1970s He found much had changed and he reflects upon the increased poverty political upheavals environmental issues and indeed the changes in himself But ultimately DREAMING OF JUPITER is a hugely inspiring read with a positive message at its heart that even at the age of 70 you can still set off on an adventure and be surprised and excited by what life throws at you along the way

**Son of a Midnight Land** Atz Kilcher, 2018-02-06 A powerful new memoir about growing up with a hard father in a hard land Atz Kilcher learned many vital skills while helping his parents carve a homestead out of the Alaskan wilderness how to work hard think on his feet make do invent and use what was on hand to accomplish whatever task was in front of him He also learned how to lie in order to please his often volatile father and put himself in harm's way to protect his mother and younger weaker members of the family Much later in life as Atz began to reflect on his upbringing seek to understand his father and heal his emotional scars he discovered that the work of pioneering the frontier of the soul is an infinitely more difficult task than any of the back breaking chores he performed on his family's homestead Learning to use new tools honesty vulnerability forgiveness acceptance and building upon the good helped him heal and learn to embrace the value of resilience This revised perspective has enabled him to tell an enhanced and more positive version of the legacy his father created and has him doing the most rewarding work of his life mapping his own inner wilderness while drawing closer to his adult children the next stewards of the land he helped his father carve out of the Alaskan frontier
