Good Money Profitable Social Investing In The 90s

**Camille Q. Bradford, Roger
Clegg, National Legal Center for the
Public Interest**

Good Money Profitable Social Investing In The 90s:

Good Money Ritchie P. Lowry, 1993 A great book An easy to understand vision of how people and businesses can make money and a wonderful world at the same time Ben Cohen CEO Ben Jerry s Homemade Inc **The Performance of Socially Responsible Investment Funds in Europe** Eva Maria Kreibohm, 2016-11-30 Socially responsible investing SRI is an investment approach that combines investors financial as well as nonfinancial goals in the security selection process Technically investors can engage in SRI either by directly investing in companies that implement corporate social activities or by investing their money in SRI funds which apply screening criteria to select securities The screening process applied by the SRI funds has led to controversy among academics regarding whether the use of SRI screens in the security selection process influences the financial performance of the funds The empirical study analyzes whether or not the screening process applied by such funds influences their financial performance Previous research mostly has focused on analyzing the performance of SRI equity funds established in the United States The study at hand not only includes SRI equity funds but also SRI balanced and fixed income funds established in Europe the biggest market for SRI globally The study provides unexpected results that are not only of interest for investors who want to get a better understanding of the effect on the financial performance of their portfolios in case SRI funds are added The results are also relevant for SRI fund managers who are interested in promoting their funds and attracting new investors and for academics whose research interests are e g located in the fields of SRI fund portfolio performances and market efficiencies Socially Responsible Investment Law Benjamin J Richardson, 2008-06-30 Environmental harm is commonly associated with companies that extract consume and pollute our shared natural resources Rarely are the unseen polluters the financiers that sponsor and profit from eco damaging corporations placed at the forefront of the environmental debate By focusing on these unseen polluters Benjamin Richardson provides a comprehensive examination of socially responsible investment SRI and offers a guide to possible reform Richardson proposes that greater regulatory supervision of SRI will help ensure that the financial sector prioritizes ethically based investments In *Socially Responsible Investment Law* he suggests that new governmental reforms should encourage companies to participate in socially responsible investments by providing a better mix of standards and incentives for SRI through measures that include redefining the fiduciary responsibilities of institutional investors to incorporate environmental concerns By doing so Richardson posits that corporate financiers including banks hedge funds and pension plans will become more accountable to the goals of ensuring sustainable development *Socially Responsible Investment* Enrique Ballester, Blanca Pérez-Gladish, Ana Garcia-Bernabeu, 2014-11-18 This book integrates socially responsible investment into modern portfolio theory from a multi criteria perspective Socially responsible investment is a new deal championed by the institutional investment and bank sectors agents that influence mutual funds and other collective investment schemes and which fear that financial strategies without ethical constraints can harm sustainable growth and

prosperity The book shows how to combine financial criteria such as profitability and risk with non financial criteria such as the protection of the ecosystem responsible consumption of energy and healthcare campaigns The book s first part presents critical issues in ethical investment while the second explains in detail the application of goal programming techniques for SRI funds illustrating their use in actual cases Part three demonstrates how compromise programming can be applied in the contexts of portfolio selection and risk management Finally in its fourth part the book examines the application of other decision making support methods like the Analytic Hierarchy Process AHP framework the Reference Point Method and soft computing techniques for portfolio selection

Corporate Social Responsibility Across the Globe Onyeka K.

Osuji, Franklin N. Ngwu, Gary Lynch-Wood, 2023-06-01 Corporate Social Responsibility Across the Globe demonstrates many ways that CSR can be applied by law to overcome regulation and governance challenges around the world Using interdisciplinary and comparative models and perspectives the book challenges dominant understandings of CSR such as neoliberal voluntarism and demonstrates the regulatory and governance implications of an interdependent relationship between CSR and the law The book identifies substantive and procedural barriers for CSR in national public and private international law By analyzing deconstructing and reframing CSR in these contexts the book underlines opportunities for more effective application of CSR as a governance mechanism Chapters investigate relevant regulation concepts paradigms and approaches for CSR methods for infusing CSR in corporate governance and ways to facilitate private regulation of CSR in more developed emerging and developing jurisdictions

Contemporary Issues in Social Accounting Audrey

Paterson, Akira Yonekura, William (Bill) Jackson, 2017-12-31 This important and timely new text introduces and explains the key ideas of accounting for society the historical development of corporate social responsibility accountability and ethics and their importance to everyday life

Harnessing Foreign Investment to Promote Environmental Protection

Pierre-Marie Dupuy, Jorge E. Viñuales, 2013-03-14 Harnessing Foreign Investment to Promote Environmental Protection investigates the main challenges facing the implementation of environmental protection and the synergies between foreign investment and environmental protection Adopting legal economic and political perspectives the contributing authors analyse the various incentives which encourage foreign investment into pro environment projects such as funds project finance market mechanisms payments for ecosystem services and insurance and the safeguards against its potentially harmful effects investment regulation CSR and accountability mechanisms contracts and codes of conduct

Money on the Line Canadian Centre for Policy Alternatives, 2003 From the back cover The billions of dollars in Canadian pension funds belong to the workers for whom these funds were established The money in effect is their deferred wages but even though these vast sums now constitute the largest source of capital in the country it has only been in the past few decades that workers through their unions have started to play a role in how when and where their pension money is invested This informative and fact filled book examines the growing involvement of labour organizations in the management and more often the co management of

pension funds It looks at the duties and rights of union trustees on pension boards at their fiduciary responsibility at the crucial issues of social and ethical investments and it also explains the success of progressive labour sponsored investment funds

Ethics in Finance ,2013-12-02 The third edition of Ethics in Finance presents an authoritative and wide ranging examination of the major ethical issues in finance This new edition has been expanded and thoroughly updated with extensive coverage of the recent financial crisis and the very latest developments within the financial world Substantially updated new edition with nearly 40% new material including sections on credit cards mortgage lending microfinance risk management derivatives and securitization Includes coverage and references to the recent financial crisis and the very latest developments within the financial world Focuses on the practical issues that confront finance professionals policy makers and consumers of financial services Cites examples of the scandals that have shaken public confidence in Wall Street and world financial markets Includes numerous examples throughout to illustrate the concepts and issues described within the text

A Civil Economy Severyn T. Bruyn,2009-11-10 An accessible overview of the concept of the civil economy and how it works

Kiplinger's Personal Finance ,1993-08 The most trustworthy source of information available today on savings and investments taxes money management home ownership and many other personal finance topics

Ben Jerry's Double Dip Ben Cohen,Jerry Greenfield,Meredith Maran,1998-05-13 Published in paperback for the 20th anniversary of Ben Jerry s Homemade Inc the business philosophy of a company that has won the taste buds of America as well as earned the admiration of Wall Street

Institutional Investors, Social Investing, and Corporate Governance Camille Q. Bradford,Roger Clegg,National Legal Center for the Public Interest,1996

Ethics and Economic Affairs Alan Lewis,Karl-Erik Wärneryd,2002-01-08 There has been a remarkable growth of interest in the ethical dimension of economic affairs Whilst the interest in business ethics has been long standing it has been given renewed emphasis by high profile scandals in the world of business and finance At the same time many economists dissatisfied with the discipline s emphasis on self interest and individualism and by the asocial nature of much economic theory have sought to enlarge the scope of economics by looking at ethical questions In this volume a group of interdisciplinary scholars provide contributions which include evaluations of work in business ethics empirical studies of such issues as social and ethical investing the place of ethics in the new economics and perspectives from other disciplines

Armed with Expertise Joy Rohde,2013-08-09 During the height of the wars in Iraq and Afghanistan the Pentagon launched a controversial counterinsurgency program called the Human Terrain System The program embedded social scientists within military units to provide commanders with information about the cultures and grievances of local populations Yet the controversy it inspired was not new Decades earlier similar national security concerns brought the Department of Defense and American social scientists together in the search for intellectual weapons that could combat the spread of communism during the Cold War In *Armed with Expertise* Joy Rohde traces the optimistic rise anguished fall and surprising rebirth of Cold War era military sponsored social research

Seeking expert knowledge that would enable the United States to contain communism the Pentagon turned to social scientists Beginning in the 1950s political scientists social psychologists and anthropologists optimistically applied their expertise to military problems convinced that their work would enhance democracy around the world As Rohde shows by the late 1960s a growing number of scholars and activists condemned Pentagon funded social scientists as handmaidens of a technocratic warfare state and sought to eliminate military sponsored research from American intellectual life But the Pentagon s social research projects had remarkable institutional momentum and intellectual flexibility Instead of severing their ties to the military the Pentagon s experts relocated to a burgeoning network of private consulting agencies and for profit research offices Now shielded from public scrutiny they continued to influence national security affairs They also diversified their portfolios to include the study of domestic problems including urban violence and racial conflict In examining the controversies over Cold War social science Rohde reveals the persistent militarization of American political and intellectual life a phenomenon that continues to raise grave questions about the relationship between expert knowledge and American democracy

Pensions at Work Jack Quarter,Isla Carmichael,Sherida Ryan,2008-05-24 Pension funds have come to play an increasingly important role within the new economy According to Statistics Canada in 2006 trustee pension funds in Canada had 836 billion of assets and represented the savings of 4.6 million Canadian workers Pensions at Work is a unique collection of papers that uses a labour perspective to deal with the socially responsible investment of pension funds Featuring leading Canadian and international scholars it builds on existing scholarship on socially responsible investment and on the growing interest of the Canadian labour movement in joint trusteeship What is unique about this collection is that it synthesizes three distinct themes socially responsible investment pension funds and labour studies The contributors address an array of critical issues such as gaps in the education of union trustees of pension funds the impact of human capital criteria on shareholder returns the influence of corporate engagement upon corporate performance and the nature of public private partnerships PPPs Although the essays in Pensions at Work all address the nexus between socially responsible investment pension funds and unions each looks at a particular manifestation of that relationship through a different disciplinary lens This collection moves the discussion to pension funds in which union representatives are also trustees a relatively new approach that will be of great interest to institutional investors the labour movement and instructors in labour studies programs

Higher Education Christian Gilde,2007-01-01 Higher Education Open for Business presents a well argued critique of the emergence of commercial values in a system reserved for learning and scholastic inquiry Through closer examination of academic areas such as the campus environment the classroom academic research and college sports the audience is made aware that we have to think carefully whether we want to turn a college nation into a college corporation

Business Ethics ,1995 *Merchants and Ministers* Kevin Schmiesing,2016-12-14 Two of the most influential forces in American history are business and religion Merchants and Ministers weaves the two together in a history

of the relationship between businesspeople and Christian clergy From fur traders and missionaries who explored the interior of the continent to Gilded Age corporate titans and their clerical confidants to black businessmen and their ministerial collaborators in the Civil Rights movement *Merchants and Ministers* tells stories of interactions between businesspeople and clergy from the colonial period to the present It presents a complex picture of this relationship highlighting both conflict and cooperation between the two groups By placing anecdotal detail in the context of general developments in commerce and Christianity *Merchants and Ministers* traces the contours of American history and illuminates those contours with the personal stories of businesspeople and clergy The publishers weekly ,1991

Reviewing **Good Money Profitable Social Investing In The 90s**: Unlocking the Spellbinding Force of Linguistics
