Poole,2017-10-18 Nearly ten years of life conveniently and inconveniently occurring but entirely authenticthat is the journey Charles K Poole had been on and shared in times good and bad In this third volume of his I Am My Own Cause series Poole picks up from 2010where the second volume endedand crafts more personal insightful and inspiring stories that will make you think and make you cry but ultimately make you glad you took time to read what he has to say This third volume represents a period of even more significant change for Poole much of it painful But as he has often shown us Poole learns lessons from even the most heartbreaking events and somehow uses those lessons for the greater good And in doing so he reminds us that it is something we are capable of too Honest and written in his own irrepressible voice I Am My Own Cause The Third Act Surviving and Thriving is a fitting conclusion to this series of chapters in Pooles life but by no means is it the end Its the beginning of something new something thatif he chooses to share itwill continue to remind us that there is great value in being our own cause Crash Course in Library Services to People with Disabilities Ann Roberts,Richard J.
