century David Gutzke,2016-05-16 Given recent media coverage of women s drinking habits it is surprising that a topic of such interest has not produced a comprehensive examination This book provides not just a survey spanning a century of momentous change but integrates diverse sources with concepts to offer a new understanding of the changing nature of women s drinking patterns It challenges traditional assumptions and offers original interpretations about the diverse factors influencing women s consumption of alcohol including advertising moral panics sexism legislative initiatives employment age ethnicity technology new drinking venues and marketing strategies What most influenced how women transformed their consumption of alcohol What beverages did they drink To what extent did women themselves act as agents of change These and other questions serve as the basis for analysing women s drinking patterns from a social and cultural perspective Close attention is also paid to the image of drinking projected in advertising the mass media and films Fishes with Funny French Names Debra Kelly,2021-12-02 This book tells the story of what happens when an essentially Parisian institution travels and establishes itself in its neighbour s capital city bringing with it French food culture and culinary practices The arrival and evolution of the French restaurant in the British capital is a tale of culinary and cultural exchange and of continuity and change in the development of London s dining out culture Although the main character of this story is the French restaurant this cultural history also necessarily engages with the people who produce purvey purchase and consume that food culture in many different ways and in many different settings in London over a period of some one hundred and fifty years British references to France and to the French are littered with associations with food whether it is desired rejected admired loathed envied disdained from the status of haute cuisine and the restaurants and chefs associated with it to contemporary concerns about food poverty and food waste to dietary habits and the politicisation of food and at every level in between However thinking about the place of the French restaurant in London restaurant and food culture over a long time span in many and varied places and spaces in the capital creates a more nuanced picture than that which may at first seem obvious *Europe's Wonderful Little Hotels and Inns 2002* Adam Raphael,Caroline Raphael,2002-02 The 25th Anniversary edition of the guides known as word of mouth in print with entries updated yearly based on readers reports blank report forms included **Good Eating's Party Snacks and Appetizers** Chicago Tribune Staff,2012-09-11 Perfect for home cooks looking to entertain Good Eating s Party Snacks and Appetizers is a collection of recipes both sophisticated and fun all of which have been hand picked from 25 years of award winning Chicago Tribune food writing Easy to prepare and elegant in presentation these snacks appetizers desserts and cocktails are terrific for any occasion including book clubs dinner parties summer soirees and more Born from the Chicago Tribune s own test kitchen the recipes feature friendly introductions and conversational tips from experienced food editors All the recipes are easy to find and logically organized under the following categories dips and spreads snacks appetizers and small plates savory tarts and pizzas salads breads scones and muffins cookies and bars desserts nonalcoholic drinks and cocktails Good Eating s Party Snacks and Appetizers is a go to resource
