The Contemporary American Short-Story Cycle James Nagel, 2004-04-01 James Nagel offers the first systematic history and definition of the short story cycle as exemplified in contemporary American fiction bringing attention to the format s wide appeal among various ethnic groups He examines in detail eight recent manifestations of the genre all praised by critics while uniformly misidentified as novels Nagel proposes that the short story cycle with its concentric as opposed to linear plot development possibilities lends itself particularly well to exploring themes of ethnic assimilation which mirror some of the major issues facing American society today Short Story Index ,2004 Writing Vietnam, Writing Life Tobey C. Herzog, 2009-05 Phillip Caputo Larry Heinemann Tim O Brien and Robert Olen Butler four young midwestern Americans coming of age during the 1960s who faced a difficult personal decision whether or not to fight in Vietnam Each chose to participate After coming home these four veterans became prizewinning authors telling the war stories and life stories of soldiers and civilians The four extended conversations included in Writing Vietnam Writing Life feature revealing personal stories alongside candid assessments of each author's distinct roles as son soldier writer and teacher of creative writing As Tobey Herzog's thoughtful interviews reveal these soldier authors have diverse upbringings values interests writing careers life experiences and literary voices They hold wide ranging views on among other things fatherhood war the military religion the creative process the current state of the world and the nature of both physical and moral courage For each author the conversation and richly annotated chronology provide an overview of the writer's life the intersection of memory and

imagination in his writing and the path of his literary career Together these four life stories also offer mini tableaux of the fascinating and troubling time of 1960s and 1970s America Above all the conversations reveal that each author is linked forever to the Vietnam War the country of Vietnam and its people Contemporary Southern Men Fiction Writers Rosemary M.
