Good Mother:

The Good Mother Myth Avital Norman Nathman, 2013-12-31 In an era of mommy blogs Pinterest and Facebook The Good Mother Myth dismantles the social media fed notion of what it means to be a good mother This collection of essays takes a realistic look at motherhood and provides a platform for real voices and raw stories each adding to the narrative of motherhood we don't tend to see in the headlines or on the news From tales of mind bending panic inducing overwhelm to a reflection on using weed instead of wine to deal with the terrible twos the honesty of the essays creates a community of mothers who refuse to feel like they're in competition with others or with the notion of the ideal mom they're just trying to find a way to make it work With a foreword by Christy Turlington Burns and a contributor list that includes Jessica Valenti Sharon Lerner Soraya Chemaly Amber Dusick and many more this remarkable collection seeks to debunk the myth and offer honest perspectives on what it means to be a mother

Good Mother, Bad Mother Gina Ford, 2012-03-31 Pressurised by the media scrutinised by their peers frowned upon even by those closest to them mothers today face relentless criticism and pressure Breast or bottle Work or stay at home Routine or feeding on demand The choices are infinite and at the heart of each question is the more controversial and divisive debate of what makes a good mother Good Mother Bad Mother is an illuminating moving and thought provoking study of this enigmatic question Never before has the subject of motherhood been tackled with such unflinching honesty Drawing on her experience of thousands of mothers bestselling parenting author Gina Ford has turned her attention to the women charged with bringing up the next generation She addresses the challenges of contemporary motherhood and fervently argues that these awe inspiring women seldom receive the support respect and admiration they deserve And for the first time in a candid personal account Gina interweaves stories from her own childhood revealing how her relationship with her own mother has shaped the choices she has made Any woman who has ever doubted her capabilities as a mother will find comfort and reassurance in the insights of the woman whose books have been justly described as a godsend

The Good Mother Shanell Keys, 2012-03 Five years after Blank Slate left off Jen Morrison is living her dream life She has a loving husband and two sons who she adores Maybe her family didn't come together in the most conventional way but it works for her She had her older son Danny with her ex husband They divorced when Danny was just a baby Then she married John who is the love of her life and they adopted Derek together when his mother was sent to prison Everything seems perfect and Jen is always complimented on being a wonderful mother But then strange things start to happen Suddenly Jen is forgetting things and people are starting to question her abilities as a parent as well as her sanity Then one day Derek vanishes into thin air and Jen is left trying to put the pieces together and bring her son home before it's too late

The Good Mother Myth Nancy Reddy, 2025-01-21 Timely and thought provoking Nancy Reddy unpacks and debunks the bad ideas that have for too long defined what it means to be a good mom When Nancy Reddy had her first child she found herself suddenly confronted with the ideal of a perfect mother a woman who was constantly available endlessly

patient and immediately invested in her child to the exclusion of all else Reddy had been raised by a single working mother considered herself a feminist and was well on her way to a PhD Why did doing motherhood right feel so wrong For answers Reddy turned to the mid 20th century social scientists and psychologists whose work still forms the basis of so much of what we believe about parenting It seems ludicrous to imagine modern moms taking advice from midcentury researchers Yet their bad ideas about so called good motherhood have seeped so pervasively into our cultural norms In *The Good Mother Myth* Reddy debunks the flawed lab studies sloppy research and straightforward misogyny of researchers from Harry Harlow who claimed to have discovered love by observing monkeys in his lab to the famous Dr Spock whose bestselling parenting guide included just one illustration of a father interacting with his child This timely and thought provoking book will make you laugh cry and want to scream sometimes all at once Blending history of science cultural criticism and memoir *The Good Mother Myth* pulls back the curtain on the flawed social science behind our contemporary understanding of what makes a good mom

Such a Good Mother Helen Monks Takhar, 2022-08-02 Some women would do anything for their children This provocative novel goes straight for the jugular of modern motherhood Lindsay Cameron author of *Just One Look* from the author of the addictive People thriller *Precious You* Mothers and hustlers can be a lethal combination and the perfect recipe to keep you up all night Amanda Eyre Ward New York Times bestselling author of *The Jetsetters* Rose O Connell is barely surviving Her marriage is rocky her son isn't fitting in at his new school the prestigious Woolf Academy and their tiny apartment in a rapidly gentrifying neighborhood can barely contain her family As she struggles to make ends meet on her junior bank teller wages Rose finds that life as the only mom in a name tag and uniform at the Woolf's shiny school gates isn't easy Not so for those in the elite and secretive Circle a tight knit group of wealthy mothers led by the charismatic and glamorous Amala Kaur who rule the school When the mysterious death of one of the Circle's members creates a vacancy Rose dares to hope she could fill it and transform her life Amala's shocking decision to invite Rose into her clique provokes resentment among the Circle especially when her fortunes self esteem and status start to soar But Rose soon realizes the true price of being on the inside Far from being a dream come true the Circle proves her worst nightmare Unlike the woman she replaced can Rose escape with her life Taut complex and compulsively readable *Such a Good Mother* is a razor sharp take on the myth of having it all

As A Good Mother Should Mary W. McClam, 2015-04-21 Mrs McClam is a lover of books and she enjoys reading aloud and singing to young children She says that writing this book *As A Good Mother Should* came from inspirations from her father and mother who has always been there for her and they taught her from an early age that she can do anything that she puts her mind to She also said that this has been a very special and exciting time for her because this is her first book published and she wants to continue with the family tradition of writing and telling stories

First Find Your Child a Good Mother Paul Riesman, 1992 Through a systematic comparison of the life circumstances child rearing practices and personalities of the FulBe and their former slaves the RiimaayBe this book develops an alternative theory of the

way personality is formed in the Fulani society of West Africa Riesman discusses the different characters economies and life plans of adult men and women of both groups focusing on their ideas about the value of relatives He further presents detailed observations of child rearing practices and concludes that the FulBe and RiimaayBe do not differ in these practices Contrasting Fulani and Western notions of parenting he suggests that child rearing practices are themselves irrelevant to the formation of adult personality but that a people s ideas about the meaning of life social relations and the development of character are very important Finally Riesman outlines a sociocultural theory of personality and its formation and uses this theory to make sense of the differences between FulBe and RiimaayBe

The Life of Mdle. de Lamourous, Commonly Called "The Good Mother." Marie Thérèse de LAMOUREOUS (Biography.),1859 *The Good Mother* Susan Goodwin,Kate Huppatz,2010 The Good Mother brings together essays on the contemporary relevance of the good mother in Australia Although the ideals of the good mother change with time fashion and context they persist in public policy the media popular culture and workplaces They place pressure on women to conform to particular standards against which they are judged and judge themselves This book captures the diversity of contemporary women s experiences Chapters address the experiences of executive mothers mothers working in manual trades yummy mummies and slummy mummies low income mothers single mothers Indigenous mothers lesbian parents adoptive mothers and mothers negotiating schools and school choice The essays demonstrate that while the good mother is no longer exclusively white heterosexual economically dependent and child focused prevailing ideas about mothers and motherhood continue to influence the way types of women are represented and the way that all mothers think act and present themselves
